If the Company receives an amount that does not equal one of the parcel amounts specified in the table above, the Company will apply the dollar amount of the payment to the highest designated parcel that is less than the amount of the payment and refund the excess application money (without interest) to the Eligible Shareholder.

- (c) No fractions of New Shares will be issued. Where the determination of the entitlement to New Shares results in a fraction of New Shares, such fraction shall be rounded up to the nearest whole New Share.

This limit will apply even if you receive more than one offer from the Company (for example, because you are a joint holder of Shares or because you hold more than one shareholding under separate share accounts).

The Company reserves the right to issue to an Eligible Shareholder fewer New Shares than the number applied for, for whatever reason, including to avoid the possible subscription of over A\$30,000 worth of New Shares by an Eligible Shareholder (including through joint holdings, multiple registered holdings or any holding in which they have a beneficial interest(s)).

At this stage, the maximum amount raised under the Offer will be capped at a total of A\$500,000 (before costs), being a maximum of 3,333,334 New Shares. However, the Company reserves the right to change this cap at its discretion by announcement to the ASX (subject to the ASX Limit).

If there is a Scale Back, you may not receive all the New Shares for which you have applied. The Company may in its absolute discretion determine to apply the Scale Back to the extent and in the manner it sees fit, which may include taking into account a number of factors including, but not limited to:
 - (i) the size of your shareholding at the Record Date;
 - (ii) the extent to which you have sold or purchased Shares over the period 3 months prior to the Record Date;
 - (iii) whether you have multiple registered holdings;
 - (iv) the date on which your application was made; and

- (v) the total number of applications and New Shares subscribed for by Eligible Shareholders.
- (d) **Return of excess application monies:** In the event of a Scale Back, your application monies may be greater than the value of New Shares issued to you under the Offer, in which case the excess application monies will be refunded to you, without interest, by direct credit deposit to your nominated bank account or by cheque paid in Australian dollars (Australian Eligible Shareholders only).

5. Participation costs

You must pay the issue price per New Share and any fees or charges incurred by you in completing the Application Form, for example, bank fees or fees of professional advisors. No commission is payable by the Company on the issue of the New Shares and no brokerage applies.

6. Rights attaching to New Shares

The rights attaching to the New Shares are contained in the Constitution of the Company (which is available for inspection at the registered office of the Company during the period of the Offer).

The New Shares will be issued on the same terms and rank equally in all respects with the Company's existing Shares on issue.
