

Correction to error in ASX Announcement, Appendix 3B and Addendum to the AGM Notice of Meeting

26 May 2025 - Dotz Nano Limited (**ASX: DTZ**, “**Dotz**” or “**Company**”), a leading developer of innovative climate and industrial nanotechnologies, advises of an error that has come to the attention of the Company contained in the ASX Announcements lodged on 20 May 2025, “*Placement and Funding Update*”, Proposed issue of Securities and in one of the proposed resolutions set out in Company’s Addendum to the AGM Notice of Meeting for its upcoming Annual General Meeting to be held at 3:00PM (AEST) on Friday 30 May 2025.

The documents incorrectly refer to Evolution Capital, who acted as Lead Manager for the Placement being entitled to be issued 2 million shares (**Broker Shares**) and 10 million options on the same terms as the Placement Options (“**Broker Options**”) as part of the broker’s fee for managing the Placement. The correct number of Broker Options that Evolution Capital is entitled to is 12 million in accordance with the placement mandate entered into by the parties.

The error is in Resolution 14 and the Explanatory Statement for Resolution 14 which relates to the approval of the Broker Shares and Broker Options. A corrected Addendum to the AGM Notice of Meeting is attached to this release.

Shareholders who have already submitted proxy forms with a direction as to how to vote on Resolution 14 and wish to change their direction as a result of this correction should re-submit their proxy form which must be received by **3.00PM (AEST) on Wednesday, 28 May 2025**.

Resolution 12 - Ratification of Prior Issue of New Shares under ASX Listing Rule 7.4

Background

On 20 May 2025, the Company announced that it had received binding commitments to raise approximately \$1.2 million (before costs) in a placement of 20 million new Shares at an issue price of \$0.06 per Share (**New Shares**) to institutional and sophisticated investors (**2025 Placement**). The offer under the 2025 Placement includes 1 free attaching option each exercisable at \$0.10 expiring three years from the date of issue (**New Options**) for every two New Shares subscribed for (the subject of Resolution 13).

In connection with the 2025 Placement, the Company issued 20 million New Shares under Listing Rule 7.1A on or around 27 May 2025, accordingly, Resolution 12 propose that Shareholders of the Company ratify the prior issue and allotment of the 20 million New Shares.

ASX Listing Rule 7.1 and 7.1A

The 20 million New Shares were issued under Listing Rule 7.1A.

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity

securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

At last year's AGM, the Company sought and obtained approval of its Shareholders under Listing Rule 7.1A to increase this 15% limit by an extra 10% to 25%.

The issue of New Shares in connection with the 2025 Placement did not fit within any of the exceptions to Listing Rules 7.1 and 7.1A and, as they have not yet been approved by the Company's Shareholders, they effectively use up part of the expanded 25% limit in Listing Rules 7.1 and 7.1A, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 and 7.1A for the 12 month period following the issue date of the New Shares (noting that the extra 10% under Listing Rule 7.1A will expire unless re-approved by the Company's Shareholders on an annual basis, the subject of Resolution 3).

Listing Rule 7.4 allows the Shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issues is taken to have been approved under Listing Rule 7.1 and 7.1A (as applicable) and so does not reduce the Company's capacity to issue further equity securities without Shareholder approval under the respective rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain Shareholder approval for such issues under Listing Rules 7.1 and 7.1A.

To this end, Resolution 12 seeks Shareholder approval to subsequently approve the issue of the New Shares for the purposes of Listing Rule 7.4.

If Resolution 12 is passed, the issue of the New Shares will be excluded in calculating the Company's 10% limit in Listing Rule 7.1A, effectively increasing the number of equity securities it can issue without Shareholder approval over the 12 month period following the issue date the New Shares.

If Resolution 12 is not passed, the issue of the New Shares will be included in calculating the Company's 10% limit in Listing Rule 7.1A, effectively decreasing the number of equity securities it can issue without Shareholder approval over the 12 month period following the issue date the New Shares.

Information required by ASX Listing Rule 7.5

The following information is provided to Shareholders for the purposes of Listing Rule 7.5.

- (a) The New Shares were issued to institutional and sophisticated investors who were identified through a book build process conducted by the Lead Manager of the 2025 Placement, Evolution Capital.
- (b) The Company issued 20 million New Shares under Listing Rule 7.1A;
- (c) The New Shares are fully paid on issue and rank equally in all aspects with all existing fully paid ordinary shares previously issued by the Company.
- (d) The 20 million New Shares are to be issued on or around 27 May 2025.
- (e) The New Shares are issued at an issue price of \$0.06 per New Share, which in aggregate raised \$1.2 million (before costs) for the Company.
- (f) Funds raised from the issue of the New Shares will be used by the Company for working capital.
- (g) A voting exclusion statement is included in this Notice of Meeting for Resolution 12.

Directors' Recommendation

The Board of Directors recommend Shareholders vote for this Resolution.

The Chair of the Meeting intends to cast all undirected proxies in favour of this Resolution.

Resolution 13 – Proposed Issue of New Options

Background

Resolution 13 seeks Shareholder approval to issue and allot 10 million free attaching Options each with an exercise price of 10 cents (\$0.10) per Option, expiring 3 years from the date of issue (**New Options**) to participants in the 2025 Placement.

ASX Listing Rule 7.1

Subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

An issue of equity securities that is approved by the Company's Shareholders under Listing Rule 7.1 will not use up the Company's 15% limit and therefore does not reduce the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1.

The proposed issue does not fall within any exception set out in Listing rule 7.2 and exceeds the Company's 15% limit in Listing Rule 7.1 and therefore requires approval of Shareholders under Listing Rule 7.1.

To this end, Resolution 13 seeks Shareholder approval to approve the issue of the New Options under and for the purposes of ASX Listing Rule 7.1.

If Resolution 13 is passed, the issue of the New Options will be excluded in calculating the Company's 15% limit in ASX Listing Rule 7.1.

If Resolution 13 is not passed, the Company will not be able to proceed with the proposed issue of the New Options and the Company will be required to compensate the participants the monetary equivalent of the New Options in cash based on a Black Scholes Model valuation derived from the variables outlined on Bloomberg and based on the date of completion of the 2025 Placement.

Information Required by Listing Rule 7.3

The following information is provided to Shareholders for the purposes of Listing Rule 7.3:

- (a) The New Options will be issued to non-related party investors, who are sophisticated and professional investors introduced to the Company to subscribe for the New Shares by its Lead Managers to the 2025 Placement.
- (b) The maximum number of New Options to be issued is 10 million.
- (c) The full terms of the New Options are set out in Annexure E of this Notice of Meeting.
- (d) The Company expects to issue the New Options as soon as practicable after this Meeting. In any event, the New Options will be issued by within 3 months of Shareholder approval being obtained by the Company (or otherwise, as determined by the ASX in the exercise of their discretion).
- (e) The New Options will be offered for nil cash consideration as free attaching Options on a 1 for 2 basis (i.e. 1 New Option for every 2 New Shares subscribed for and issued) in connection with the 2025 Placement.
- (f) Funds will not be raised from the issue of the New Options.

(g) A voting exclusion statement is included in this Notice of Meeting for Resolution 13.

Directors' recommendation

The Board of Directors recommend that Shareholders vote for this Resolution.

The Chair of the Meeting intends to cast all undirected proxies in favour of this Resolution.

Resolution 14 – Approval to Issue Shares and Options to the Lead Manager of the 2025 Placement

Background

The Company proposes to issue 2 million Shares (**Broker Shares**) and 12 million Options each with an exercise price of 10 cents (\$0.10) per Option, expiring 3 years from the date of issue (**Broker Options**) to Evolution Capital Pty Ltd (ACN 652 397 263) (or its nominee) the Lead Manager, as part of the fees payable for lead management services provided to the Company in respect of the 2025 Placement announced by the Company on 20 May 2025.

ASX Listing Rule 7.1

Subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

An issue of equity securities that is approved by the Company's Shareholders under Listing Rule 7.1 will not use up the Company's 15% limit and therefore does not reduce the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1.

The proposed issue of Broker Shares and Broker Options does not fall within any exception set out in Listing rule 7.2 and exceeds the Company's 15% limit in Listing Rule 7.1 and therefore requires approval of Shareholders under Listing Rule 7.1.

To this end, Resolution 14 seeks Shareholder approval to approve the issue of the Broker Shares and Broker Options under and for the purposes of ASX Listing Rule 7.1.

If Resolution 14 is passed, the issue of the Broker Shares and Broker Options will be excluded in calculating the Company's 15% limit in ASX Listing Rule 7.1.

If Resolution 14 is not passed, the Company will not be able to proceed with the issue of the Broker Shares and Broker Options and the Company will be required to compensate the Lead Manager the monetary equivalent of the Broker Options in cash based on a Black Scholes Model valuation derived from the variables outlined on Bloomberg and based on the date of completion of the 2025 Placement.

Information Required by Listing Rule 7.3

The following information is provided to Shareholders for the purposes of Listing Rule 7.3:

- (a) The allottees are Evolution Capital Pty Ltd (ACN 652 397 263) (or its nominee).
- (b) The maximum number of securities to be issued are:
 - (i) 2 million Broker Shares; and
 - (ii) 12 million Broker Options.
- (c) The class of securities to be issued are as follows:
 - (i) the Broker Shares are fully paid on issue and will rank equally in all aspects with all existing fully paid ordinary shares previously issued by the Company; and

- (d) The Company expects to issue the Broker Shares and Broker Options as soon as practicable after this Meeting. In any event, the Broker Shares and Broker Options will be issued by within 3 months of Shareholder approval being obtained by the Company (or otherwise, as determined by the ASX in the exercise of their discretion).
- (e) The Broker Shares and Broker Options will be offered for nil cash consideration.
- (f) Funds will not be raised from the issue of the Broker Shares and Broker Options as the issues are proposed to be made as part of the fees payable to the Lead Manager for lead management services provided by to the Company in respect of the 2025 Placement.
- (g) A voting exclusion statement is included in this Notice of Meeting for Resolution 14.

YOUR NAME AND ADDRESS

The name and address shown above is as it appears on the Company's share register. If this information is incorrect, and you have an Issuer Sponsored holding, you can update your address through the investor portal: <https://investor.automic.com.au/#/home> Shareholders sponsored by a broker should advise their broker of any changes.

STEP 1 – APPOINT A PROXY

If you wish to appoint someone other than the Chair of the Meeting as your proxy, please write the name of that Individual or body corporate. A proxy need not be a Shareholder of the Company. Otherwise if you leave this box blank, the Chair of the Meeting will be appointed as your proxy by default.

DEFAULT TO THE CHAIR OF THE MEETING

Any directed proxies that are not voted on a poll at the Meeting will default to the Chair of the Meeting, who is required to vote these proxies as directed. Any undirected proxies that default to the Chair of the Meeting will be voted according to the instructions set out in this Proxy Voting Form, including where the Resolutions are connected directly or indirectly with the remuneration of Key Management Personnel.

STEP 2 - VOTES ON ITEMS OF BUSINESS

You may direct your proxy how to vote by marking one of the boxes opposite each item of business. All your shares will be voted in accordance with such a direction unless you indicate only a portion of voting rights are to be voted on any item by inserting the percentage or number of shares you wish to vote in the appropriate box or boxes. If you do not mark any of the boxes on the items of business, your proxy may vote as he or she chooses. If you mark more than one box on an item your vote on that item will be invalid.

APPOINTMENT OF SECOND PROXY

You may appoint up to two proxies. If you appoint two proxies, you should complete two separate Proxy Voting Forms and specify the percentage or number each proxy may exercise. If you do not specify a percentage or number, each proxy may exercise half the votes. You must return both Proxy Voting Forms together.
