RM Corporate Finance Pty Ltd is acting as lead manager to the Placement (**Lead Manager**).

Patrys CEO, Dr James Campbell, commented: This raise allows the Company to continue its ongoing business development activities for its deoxymab program, providing leeway until the anticipated receipt of the Federal government's R&D rebate to the Company's wholly-owned subsidiary, Nucleus Therapeutics, expected in H2, CY 2025. Additionally, the Company is reviewing complementary assets which might be accessed to cost-effectively move through value-creation milestones.

The Placement will raise approximately \$358,362 (before costs) via the issue of approximately 358,362,535 new fully paid ordinary shares in the Company in two tranches (**New Placement Shares**) at \$0.001 per New Placement Share (**Offer Price**) together with 1 unlisted free attaching option for every 2 New Placement Shares subscribed under the Placement (**New Placement Options**). The Lead Manager has been appointed by the Company to undertake the Placement and will receive:

Each unlisted option (**Option**) entitles the holder (**Option Holder**) to subscribe for and be issued one fully paid ordinary share (**Share**) in **Patrys Limited** ACN 123 055 363 (**Company**) on the following terms:

1. Subject to clause 2 and any restrictions imposed by the ASX Limited (**ASX**), each Option is exercisable at any time after the date it is issued (**Issue Date**), until and including their expiry date, namely 5pm on 30 November 2029 (**Expiry Date**). Any Options not exercised by the Expiry Date will automatically lapse at 5pm on the Expiry Date.
2. The Options may be exercised for part or all of the Options held at a particular time by the Option Holder paying to the Company at its registered office prior to the Expiry Date the exercise price of A\$0.0016 per Option (**Exercise Price**).
3. On receipt by the Company of the payment of the Exercise Price, the Company must, within 4 Business Days and if the Shares are listed on the ASX within the time period prescribed by the Listing Rules of the ASX (**ASX Listing Rules**):
 - (a) allot to the Option Holder one Share in the Company for each Option exercised by the Option Holder;
 - (b) cause to be despatched to the Option Holder the relevant acknowledgement of issue, a holding statement or share certificate (as applicable) as soon as is reasonably practicable detailing the issue of the relevant Share/s; and
 - (c) issue (if applicable) a new holding statement (or option certificate) for the balance of the Options that remain unexercised.
4. Shares allotted on the exercise of Options will rank equally in all respects with the then existing issued ordinary fully paid shares in the capital of the Company (except in respect to any dividends which shall have been declared but not yet distributed before the actual exercise of an Option) and will be subject to the provisions of the Constitution of the Company.
5. The Options are transferable in accordance with the ASX Listing Rules.
6. If any reorganisation (including consolidation, subdivision, reduction, return or cancellation) of the issued capital of the Company occurs before the expiry of any Options, the number of Options to which each Option Holder is entitled or the Exercise Price of his or her Options or both must be reorganised in accordance with the ASX Listing Rules applying to a reorganisation at the time of the reorganisation (which adjustment formula will apply even where the Company is not admitted to the ASX Official List).
7. An Option does not confer the right to participate in new issues of capital offered to holders of Shares (**Rights Entitlement**) during the currency of the Options without exercising the Options. However, the Company will use reasonable endeavours to see that for the purpose of determining Rights Entitlements to any such issue, the Option Holder is to receive at least 2 Business Days written notice from the Company of the pending closing or record date and sufficient time for the Option Holder to exercise the Options prior to that closing or record date in order to qualify for the participation in the Rights Entitlement.
8. In the event of the liquidation of the Company, all unexercised Options will lapse upon the occurrence of that liquidation.
9. The Options do not provide any entitlement to dividends paid to ordinary shareholders.
10. The Options do not entitle the Option Holder to vote at any meeting of shareholders.
11. To the extent (if any) that any of these Option Terms and Conditions are inconsistent with or contrary to the ASX Listing Rules, the ASX Listing Rules provisions will prevail and these Option Terms and Conditions are deemed to incorporate the relevant ASX Listing Rules provisions as an amendment to these terms; and
12. These Option Terms and Conditions are governed by the laws of Victoria. The parties submit to the non-exclusive jurisdiction of the courts of Victoria.
