ANZ Bank has signed a 1-year contract extension for Knosys' KIQ enterprise solution, whilst negotiating terms for a new 3-year Agreement, including migration to KIQ's cloud service.

Knosys Limited (ASX: KNO), ("Knosys" or the "Company"), is pleased to announce that ANZ Bank has signed a one (1) year contract extension for the continued use of Knosys' Knowledge Management enterprise solution, KnowledgeIQ (KIQ).

The value of the one-year contract extension is expected to exceed \$1.9 million. This is an interim agreement, as ANZ Bank and Knosys negotiate the terms of a new three (3) year contract, which is expected to include ANZ Bank migrating to Knosys' KIQ cloud service. In addition, Knosys will work with ANZ to integrate a new AI assistant into their knowledge management portal.

Knosys Managing Director, John Thompson, said: "This contract extension reflects the long standing relationship we have with ANZ and our ability to assist them with their internal strategic initiatives such as their "cloud first" approach to technology solutions. We are also excited about the prospect of assisting ANZ with AI enhancements to improve employee workflows and customer service.
