## About UNITH

**Unith Ltd (ASX:UNT)** is a technology company that specialises in AI-driven digital human and conversation design solutions. Its focus is the design, development, and deployment of interactive, artificial intelligence (AI)-powered, conversational agents that are realistic, multilingual and scalable. This technology, which can take the form of AI avatars, interacts in a lifelike manner and enhances business clients' customer engagement, education, and entertainment metrics. UNITH is now successfully implementing a strategy to monetise its proprietary AI and digital human capabilities.

UNITH also operates a growing business-to-consumer (B2C) subscription division, which leverages the value-add created by the company's digital human and conversation design solutions technology. This division, which utilises literally thousands of UNITH-created digital humans, generates recurring revenue from clients through subscription models for their services or platforms. Driven by individual business client's requirements, UNITH's subscriptions arm can offer a range of services, including access to specific functionalities, tools, or content related to digital humans and AI technology. These subscription services help UNITH clients generate a steady income stream and develop long-lasting relationships with their customers.
