

GLOBAL HEALTH SIGNS CONTRACT WITH JARRAH HOUSE

Digital solutions for women's AOD ("**Alcohol and Other Drugs**") services.

Global Health Limited (ASX:GLH) ("Global Health" or "the Group") is pleased to announce a new contract with Jarrah House (<https://www.jarrahouse.com.au/>), for the implementation of Global Health's SaaS applications. The contract is valued at \$186,748.10 including GST and a one-time implementation fee. The contract will run over an initial three-year term, with the option to extend for a further two years. The MasterCare+ Client Management System (CMS) will include the Company's HotHealth Digital Front Door and ReferralNet Secure Messaging.

Streamlining AOD care with digital solutions

Global Health will implement a digital solution suite configured to meet the unique requirements of AOD healthcare delivery by Jarrah House. The project will deploy MasterCare+ Client Management System, configured to conform to the NADABase (<https://nada.org.au>) reporting requirements, mandatory for all drug and alcohol non-government organisations receiving NSW Health funding.

HotHealth Digital Front Door will enhance operational workflows, providing customisable forms to connect clinicians and clients. Referrals and clinical documents will arrive directly in the MasterCare inbox, streamlining client triage workflows and timely care delivery. Whilst the secure transfer of clinical correspondence will be facilitated through ReferralNet, built into the MasterCare SaaS solution.

The digital solution will be deployed at Jarrah House's residential rehabilitation centre, located in Southeast Sydney, New South Wales. The service will support all users across a multidisciplinary team of counsellors, nurses, social workers, childcare workers and administrative staff, supporting the recovery of women and women with children AOD clients.

Jacqui Wilkins, CEO, said: "Implementation of MasterCare+ marks the culmination of a program of work to uplift the infrastructure, technology services and systems of Jarrah House to a modern standard. We are thrilled to partner with Global Health who will bring a new platform to our sector; one which clearly supports improvements in the efficient management of client data and continuous improvement in the provision of care."

Global Health Managing Director Mathew Cherian said: "We are pleased to provide a comprehensive digital solution which supports Jarrah House in delivering exceptional care for their clients. This partnership reflects our commitment to support multidisciplinary teams and streamline service delivery in the AOD sector."

“Community based platforms for the delivery of healthcare services continues to be a growing area for Global Health. Community based platforms contracts for this calendar year have revenue value in excess of \$1.1M from new customers with a strong pipeline of opportunities for these services forecast to continue through June 2026”

This ASX announcement has been authorised by the Board of Global Health Limited (ASX:GLH) and released by the Company Secretary.
