Improved revenue and gross profit with further resources allocated to Global business

- Revenue increased +2.1% to \$56.6m vs \$55.5m pcp.
- Gross Profit increased to \$27.1m vs \$26.2M, reflecting an increase in GP Margin of +60bps to 47.9% from 47.3% pcp.
- Operating expenses increased +8.8% to \$21.4m vs \$19.6m pcp.
 - Increased costs attributable to additional sales staff. FY25 employee costs to revenue ~30.3% vs ~28.9% pcp.
- Underlying EBITDA declined to \$5.7m vs \$6.6M pcp, due predominantly to higher investment in global resources.
- EBITDA margin declined to 10.1% vs 11.8%, -171 bps vs pcp.
- Underlying NPATA declined to \$2.2m vs \$2.3m pcp, a solid achievement considering our acquisition and investment activities during the year.
- Underlying EPSA decreased to 0.6c vs 0.7c pcp, due to investment made during FY25.

Cashflow Statement

Cash Flow Movement	1.7	1.9
Opening cash	1.9	3.6
Closing cash	3.6	5.5

Solid free cashflow underpins future growth

- Underlying operating cashflow of \$7.0m was a strong result even with the increased investment in Global resources and reflects strong working capital management. Also compares to underlying EBITDA of \$5.7m.
- Operating cash flow of \$3.6m was also a strong result after increased one-off expenses of \$0.7m incurred with the TasmaNet acquisition. Adjusting for this, operating cash flow would have increased vs pcg.
- Reduced property rental costs from office rationalisation in late FY24.
- Generated \$3.3m in Free Cash Flow vs \$3.5m pcg, providing us with flexibility in capital allocation. We will balance our growth ambitions with sustainable shareholder returns.
- Strong cash flow generation as our asset-light business model enables reduction in debt balance.
- Capital expenditures remain low, with the majority of product and technology development costs expensed.

Strengthened FY25 Financial Position

- Ending cash position up to \$5.5m, +53.8% up from FY24.
- Receivables balance increased \$0.5m, to \$6.6m vs \$6.1m pcp, whilst sustaining strong receivables turnover ratio.
- Payables increased +\$1.7m during FY25, up +24.7%.
- Borrowings were recognised as current; renegotiation of finance facility post TasmaNet integration on track.
- PP&E increased +\$1.9m and Goodwill increased \$7.6m, both attributable to the TasmaNet acquisition (provisional basis).
- Intangible assets declined -\$1.5m, mostly attributable to the amortisation of customer contracts & brands (\$1.4m vs \$1.5m pcp).
- Equity increased \$5.0m, +15.6% vs pcp, attributable to the capital raising.
- Net Debt remains modest at \$5.2m vs \$4.1m pcp. Gearing anticipated to reduce in FY26 as operating cashflow enables reduction in drawn balance.
- Gearing remains well within banking covenants with ample funding for working capital and organic capex requirements.

Capital Management Framework

Our capital management priorities

01	Strong balance sheet supported by disciplined liquidity and risk controls	Ensure the business has sufficient liquidity to operate in all operating environments
02	Reduce debt post the TasmaNet acquisition by internally generated cashflow	Reducing debt post TasmaNet remains a key management priority
03	Invest to maintain our competitive advantage	Continued investment in technology and service
04	Identify and pursue strategically relevant and accretive growth opportunities	Pursue M&A opportunities that are strategically aligned and value accretive for our shareholders
05	Dividend distributions to continue with capital to shareholders over the long term as the business scales	Continue dividends; consider other capital management options over the longer term

OPERATIONAL UPDATE

New Sales Performance

+ 35% increase in new sales performance in FY25 with \$10.4m in new ARR¹

- Strong levels of new sales performance in both FY24 and FY25
- In FY24, our Secure Managed IT Solutions business had a strong level of new sales (~\$3m ARR) allowing the business to maintain revenues into FY25 even with a larger customer loss due to insourcing with new CIO.
- On 9 Sept 2024, announced a key contract with minimum revenue of A\$2.4m over 3 years.
- On 25 Nov 2024, announced a significant further contract worth \$1.5m to \$2m pa of revenue.
- Of the ~\$5.5m in new ARR in Global in FY25, approximately 30% is still to be provisioned.

¹ Annual recurring revenue.

Update on Key Projects (Global)

Through FY25, the Company made several announcements in relation to key sales contracts that were won by the Global business. Both project deliveries are nearing completion.

9 September 2024 Global SaaS Provider¹

Comms Group has delivered at 30 June 2025 approximately 9 of the 11 jurisdictions in the customer's global rollout. Services commenced billing in Q4 FY25 with the project due to be completed by the end of Q1 FY26. Customer feedback has been positive and additional services are planned.

25 November 2024 NASDAQ Technology Company²

Comms Group has delivered all SIP connectivity requirements to the Customer's network and is now in a testing phase with traffic expected end of Q1 FY26. Rollout has been delayed due to delays with the client's 3rd party technology platform. Monthly revenue at ~ 5% of expected levels currently.

¹ ASX Announcement (9 Sept 2024) – "Comms Group secures A\$2.4M contract with leading global SaaS Provider"

² ASX Announcement (25 Nov 2024) – "CCG to provide key telecom services to global tech company"

Domestic Network

Comms Group owns and operates a high-quality national network across its three divisions offering Internet, Private Cloud/Compute and Managed Network services

During FY26, the business will consolidate multiple facilities and technology stacks in each city to streamline the product set across brands and to produce CAPEX and OPEX synergies.

STRATEGY & OUTLOOK

Strategy and Outlook

To become a leading cloud communications, collaboration and secure managed IT solutions provider across the Asia Pacific region

Strategy

- A key focus is the successful transition and integration of TasmaNet into Comms Group
- Strong focus on the corporate mid-market and Govt sectors domestically
- Cross-sell of secure managed IT solutions to wider 5,000+ customers
- Upsell existing strategic accounts to incl, additional products & services and geographical reach.
- Leverage significant Asia-Pacific footprint to provide additional services to MNCs operating across the region

Financial Outlook

- We are targeting **run-rate revenue of \$75m+** once TasmaNet fully transitioned
- We are also targeting **run-rate underlying EBITDA of \$9m to \$10m** once TasmaNet fully transitioned
- Goal is to increase operating and free cash flow generation given capex-light business model
- Improving shareholder returns
- **FY26 guidance to be provided as year progresses**

Growth Opportunities

- Organic & inorganic opportunities to increase scale and add additional capabilities are being pursued
- Active M&A discussions ongoing
- Digital transformation of the business to implement some common Group-wide processes and systems and rationalise/combine duplicated networks with the goal of moving to a common platform and “One” business over time
