Listing Rule 4.10.3 requires an entity that is included in the official list as an ASX Listing to include in its annual report either a corporate governance statement that meets the requirements of that rule or the URL of the page on its website where such a statement is located. The corporate governance statement must disclose the extent to which the entity has followed the recommendations set by the ASX Corporate Governance Council during the reporting period. If the entity has not followed a recommendation for any part of the reporting period, its corporate governance statement must separately identify that recommendation and the period during which it was not followed and state its reasons for not following the recommendation and what (if any) alternative governance practices it adopted in lieu of the recommendation during that period.

Under Listing Rule 4.7.4, if an entity chooses to include its corporate governance statement on its website rather than in its annual report, it must lodge a copy of the corporate governance statement with ASX at the same time as it lodges its annual report with ASX. The corporate governance statement must be current as at the effective date specified in that statement for the purposes of Listing Rule 4.10.3.

Under Listing Rule 4.7.3, an entity must also lodge with ASX a completed Appendix 4G at the same time as it lodges its annual report with ASX. The Appendix 4G serves a dual purpose. It acts as a key designed to assist readers to locate the governance disclosures made by a listed entity under Listing Rule 4.10.3 and under the ASX Corporate Governance Council's recommendations. It also acts as a verification tool for listed entities to confirm that they have met the disclosure requirements of Listing Rule 4.10.3

The Appendix 4G is not a substitute for, and is not to be confused with, the entity's corporate governance statement. They serve different purposes and an entity must produce each of them separately.

See notes 4 and 5 below for further instructions on how to complete this form.

¹ "Corporate governance statement" is defined in Listing Rule 19.12 to mean the statement referred to in Listing Rule 4.10.3 which discloses the extent to which an entity has followed the recommendations set by the ASX Corporate Governance Council during a particular reporting period.

² Tick whichever option is correct and then complete the page number(s) of the annual report, or the URL of the web page, where your corporate governance statement can be found. You can, if you wish, delete the option which is not applicable.

³ Throughout this form, where you are given two or more options to select, you can, if you wish, delete any option which is not applicable and just retain the option that is applicable. If you select an option that includes "OR" at the end of the selection and you delete the other options, you can also, if you wish, delete the "OR" at the end of the selection.

The Nomination and Remuneration Committee Charter is available on Cettire's corporate Website.

The Nomination and Remuneration Committee develops and undertakes this evaluation at least annually and has done so in respect of the Reporting Period.

Senior Executives have detailed job descriptions and annual key performance indicators (**KPIs**) which have been set by the Board, having regard to the objectives and long-term strategies of the business. The performance of Senior Executives has been assessed against these KPIs for the Reporting Period. KPIs for FY26 will be determined in line with key objectives of the business and performance against those KPIs will be assessed in mid-late 2026.

PRINCIPLE 2 - Structure the board to be effective and add value

The Board has a combined Nomination and Remuneration Committee to oversee the remuneration, selection and appointment practices of the Company.

The Nomination and Remuneration Committee is governed by a Nomination and Remuneration Committee Charter. The Nomination and Remuneration Committee Charter is available on Cettire's corporate <u>Website</u>.

The Nomination and Remuneration Committee, as at the end of the Reporting Period, consisted of 5 members: Mr Steven Fisher (Independent Committee Chair), Mr Richard Dennis, Ms Caroline Elliott, Mr Daniel Agostinelli and Mr Jonathan Gidney, each of whom are independent non-executive directors. Mr Robert East and Mr Bruce Rathie were also members of the Nomination and Remuneration Committee until their retirements on 1 April 2025 and 26 February 2025, respectively.

As at the end of the Reporting Period, all non-executive directors are members of the Nomination and Remuneration Committee. In the event that the Nomination and Remuneration Committee reduces its composition, then all non-executive directors will have a standing invitation to attend Nomination and Remuneration Committee meetings.

The Nomination and Remuneration Committee must meet at least twice a year and did so in respect of the Reporting Period.

The Company has provided details as to the number of meetings held and the individual attendances of the members at those meetings for the period in its 2025 Annual Report which is available on Cettire's corporate <u>Website</u>.

Directors with the desired skills and expertise are carefully selected for appointment to the Board. In particular, the Board considers the skills and expertise required to complement the existing Directors and the needs of the Cettire business. The strengths,

2.2

weaknesses and skills of the current Directors have been identified and are considered when making new appointments to the Board. The skills and capabilities of the Directors are set out in the 2025 Annual Report.

In assessing the desired skills and expertise of potential directors, the Board, on the recommendation of the Nomination and Remuneration Committee, takes into consideration the current Board Skills Matrix – being skills, expertise and traits in the following areas:

Skills / Experience / Knowledge:
Leadership which includes Executive and Non-Executive roles
Strategy, growth, business development, mergers & acquisitions experience
Core Industry related Experience incorporating:
Retail, e-commerce and other complementary industries
Digital technology
Consumer / Customer focus including for luxury, unique and 5 star brands
Broader aspects of Business Acumen incorporating:
Financial acumen
Risk Management, legal and compliance, governance and regulatory
Diversity, WHS and CSR
Shareholder/Investor relations

The Board and Nomination and Remuneration Committee refers to this matrix when considering whether its size, composition, diversity and skills are sufficient to discharge its duties and responsibilities effectively. It is also used by the Board and Nomination and Remuneration Committee to identify any gaps in the skills or experience of the Board.

The Board, having regard to Cettire's stage of development and the collective experience and expertise of the Directors, considers that the current composition of the Board (and its Committees) is appropriate.

The Board conducts a review of the Board Skills Matrix on an 'as needs' basis as well as when there is any material shift in the Company's strategic direction.

Cettire assesses the independence of its Directors against the requirements for independence set out in the Board Charter which reflect the independence criteria set out in the Principles.
