¹ "Corporate governance statement" is defined in Listing Rule 19.12 to mean the statement referred to in Listing Rule 4.10.3 which discloses the extent to which an entity has followed the recommendations set by the ASX Corporate Governance Council during a particular reporting period.

Listing Rule 4.10.3 requires an entity that is included in the official list as an ASX Listing to include in its annual report either a corporate governance statement that meets the requirements of that rule or the URL of the page on its website where such a statement is located. The corporate governance statement must disclose the extent to which the entity has followed the recommendations set by the ASX Corporate Governance Council during the reporting period. If the entity has not followed a recommendation for any part of the reporting period, its corporate governance statement must separately identify that recommendation and the period during which it was not followed and state its reasons for not following the recommendation and what (if any) alternative governance practices it adopted in lieu of the recommendation during that period.

Under Listing Rule 4.7.4, if an entity chooses to include its corporate governance statement on its website rather than in its annual report, it must lodge a copy of the corporate governance statement with ASX at the same time as it lodges its annual report with ASX. The corporate governance statement must be current as at the effective date specified in that statement for the purposes of Listing Rule 4.10.3.

Under Listing Rule 4.7.3, an entity must also lodge with ASX a completed Appendix 4G at the same time as it lodges its annual report with ASX. The Appendix 4G serves a dual purpose. It acts as a key designed to assist readers to locate the governance disclosures made by a listed entity under Listing Rule 4.10.3 and under the ASX Corporate Governance Council's recommendations. It also acts as a verification tool for listed entities to confirm that they have met the disclosure requirements of Listing Rule 4.10.3.

The Appendix 4G is not a substitute for, and is not to be confused with, the entity's corporate governance statement. They serve different purposes and an entity must produce each of them separately.

RECOMMENDATIONS (4 TH EDITION)	COMPLY	EXPLANATION
<i>Principle 1: Lay solid foundations for management and oversight</i>		
Recommendation 1.1 (a) A listed entity should have and disclose a board charter which sets out the respective roles and responsibilities of the Board, the Chair and management, and includes a description of those matters expressly reserved to the Board and those delegated to management.	YES	The Company has adopted a Board Charter that sets out the specific roles and responsibilities of the Board, the Chair and management and includes a description of those matters expressly reserved to the Board and those delegated to management. The Board Charter sets out the specific responsibilities of the Board, requirements as to the Board's composition, the roles and responsibilities of the Chair and Company Secretary, the establishment, operation and management of Board Committees, Directors' access to Company records and information, details of the Board's relationship with management, details of the Board's performance review and details of the Board's disclosure policy.

RECOMMENDATIONS (4 TH EDITION)	COMPLY	EXPLANATION
		A copy of the Company's Board Charter, which is part of the Company's Corporate Governance Plan, is available on the Company's website.
Recommendation 1.2 A listed entity should: (a) undertake appropriate checks before appointing a director or senior executive or putting someone forward for election as a Director; and (b) provide security holders with all material information in its possession relevant to a decision on whether or not to elect or re-elect a Director.	YES	(a) The Company has guidelines for the appointment and selection of the Board and senior executives in its Corporate Governance Plan. The Company's Nomination and Remuneration Committee Charter (in the Company's Corporate Governance Plan) requires the Nomination and Remuneration Committee (or, in its absence, the Board) to ensure appropriate checks (including checks in respect of character, experience, education, criminal record and bankruptcy history (as appropriate)) are undertaken before appointing a person, or putting forward to security holders a candidate for election, as a Director. In the event of an unsatisfactory check, a Director is required to submit their resignation. (b) Under the Nomination and Remuneration Committee Charter, all material information relevant to a decision on whether or not to elect or re-elect a Director must be provided to security holders in the Notice of Meeting containing the resolution to elect or re-elect a Director.
Recommendation 1.3 A listed entity should have a written agreement with each Director and senior executive setting out the terms of their appointment.	YES	The Company's Nomination and Remuneration Committee Charter requires the Nomination and Remuneration Committee (or, in its absence, the Board) to ensure that each Director and senior executive is personally a party to a written agreement with the Company which sets out the terms of that Director's or senior executive's appointment. The Company has had written agreements with each of its Directors and senior executives for the past financial year.
Recommendation 1.4 The Company Secretary of a listed entity should be accountable directly to the Board, through the Chair, on all matters to do with the proper functioning of the Board.	YES	The Board Charter outlines the roles, responsibility and accountability of the Company Secretary. In accordance with this, the Company Secretary is accountable directly to the Board, through the Chair, on all matters to do with the proper functioning of the Board.

RECOMMENDATIONS (4 TH EDITION)	COMPLY	EXPLANATION
Recommendation 1.5 A listed entity should: (a) have and disclose a diversity policy; (b) through its board or a committee of the board set measurable objectives for achieving gender diversity in the composition of its board, senior executives and workforce generally; and (c) disclose in relation to each reporting period: (i) the measurable objectives set for that period to achieve gender diversity; (ii) the entity's progress towards achieving those objectives; and (iii) either: (A) the respective proportions of men and women on the Board, in senior executive positions and across the whole workforce (including how the entity has defined "senior executive" for these purposes); or (B) if the entity is a "relevant employer" under the Workplace Gender Equality Act, the entity's most recent "Gender Equality Indicators", as defined in the Workplace Gender Equality Act. If the entity was in the S&P / ASX 300 Index at the commencement of the reporting period, the measurable objective for achieving gender diversity in the composition of its board should be to have not less than 30% of its directors of each gender within a specified period.	PARTIALLY	a) The Company has adopted a Diversity Policy which provides a framework for the Company to establish, achieve and measure diversity objectives, including in respect of gender diversity. The Diversity Policy is available, as part of the Corporate Governance Plan, on the Company's website. b) The Diversity Policy allows the Board to set measurable gender diversity objectives, if considered appropriate, and to continually monitor both the objectives if any have been set and the Company's progress in achieving them. c) Given the current small size of the Board and Company's operations, the Board does not presently intend to set measurable gender diversity objectives. The board will reconsider this matter in due course following business growth. (i) the Board's view that the existing Directors and senior executives have sufficient skill and experience to carry out the Company's plans; (ii) if it becomes necessary to appoint any new Directors or senior executives, the Board will consider the application of the measurable gender diversity objectives and determine whether, given the small size of the Company and the Board, requiring specified objectives to be met will unduly limit the Company from applying the Diversity Policy as a whole and the Company's policy of appointing the best person for the job; and (iii) the respective proportions of men and women on the Board, in senior executive positions and across the whole organisation (including how the entity has defined "senior executive" for these purposes) for each financial year will be disclosed by the Company once the Company's human resource base grows to a point where fully implementing a diversity policy would become more meaningful. The company is not in the S&P/ASX 300 Index. The Company currently comprises the following percentage of

RECOMMENDATIONS (4 TH EDITION)	COMPLY	EXPLANATION
		females: • 0% of the Board; • 0% of Executive Directors; • 75% of senior management (where "senior management is defined as Directors of the Company and any employees reporting directly to the Executive Director); and • 79% of the Company's total workforce.
Recommendation 1.6 A listed entity should: (a) have and disclose a process for periodically evaluating the performance of the Board, its committees and individual Directors; and (b) disclose for each reporting period whether a performance evaluation has been undertaken in accordance with that process during or in respect of that period.	YES	(a) The Company's Nomination and Remuneration Committee (or, in its absence, the Board) is responsible for evaluating the performance of the Board, its committees and individual Directors on an annual basis. It may do so with the aid of an independent advisor. The process for this is set out in the Company's Corporate Governance Plan, which is available on the Company's website. (b) The Company's Corporate Governance Plan requires the Company to disclose whether or not performance evaluations were conducted during the relevant reporting period. For the last financial year, a formal evaluation of the Directors was not undertaken during the reporting period. The Company intends to commence a formal evaluation process to commence in the 2025 financial year.
Recommendation 1.7 A listed entity should: (a) have and disclose a process for evaluating the performance of its senior executives at least once every reporting period; and (b) disclose for each reporting period whether a performance evaluation has been undertaken in accordance with that process during or in respect of that period.	YES	(a) The Company's Nomination and Remuneration Committee (or, in its absence, the Board) is responsible for evaluating the performance of the Company's senior executives on an annual basis. The Company's Nomination and Remuneration Committee (or, in its absence, the Board) is responsible for evaluating the remuneration of the Company's senior executives on an annual basis. A senior executive, for these purposes, means key management personnel (as defined in the Corporations Act) other than a non-executive Director.

RECOMMENDATIONS (4 TH EDITION)	COMPLY	EXPLANATION
		The applicable processes for these evaluations can be found in the Company's Corporate Governance Plan, which is available on the Company's website. (b) The Company has completed performance evaluations in respect of the senior executives for the past financial year in accordance with the applicable processes.
Principle 2: Structure the Board to be effective and add value		
Recommendation 2.1 The Board of a listed entity should: (a) have a nomination committee which: (i) has at least three members, a majority of whom are independent Directors; and (ii) is chaired by an independent Director, and disclose: (iii) the charter of the committee; (iv) the members of the committee; and (v) as at the end of each reporting period, the number of times the committee met throughout the period and the individual attendances of the members at those meetings; or (b) if it does not have a nomination committee, disclose that fact and the processes it employs to address Board succession issues and to ensure that the Board has the appropriate balance of skills, knowledge, experience, independence and diversity to enable it to discharge its duties and responsibilities effectively.	PARTIALLY	(a) The Company didn't have a Nomination and Remuneration Committee for the past financial year. The Company's Nomination and Remuneration Committee Charter provides for the creation of a Nomination and Remuneration Committee (if it is considered it will benefit the Company), with at least three members, a majority of whom are independent Directors, and which must be chaired by an independent Director. The members of the Nomination and Remuneration Committee, the number of times the committee met during the last financial year, and the individual attendances of the members, are disclosed in the Company's Annual Report. (b) In July 2024, in light of the smaller size of the Board, the Board resolved to streamline and simplify the Company's corporate structure and dissolved the Remuneration and Nomination Committee of the Board of Directors. In accordance with the Company's Board Charter, the Board will now carry out the duties that would ordinarily be carried out by the Nomination Committee under the Nomination Committee Charter, including the following processes to address succession issues and to ensure the Board has the appropriate balance of skills, experience, independence and knowledge of the entity to enable it to discharge its duties and responsibilities effectively: i. devoting time at least annually to discuss Board succession issues and updating the Company's Board skills matrix; and
