¹ "Corporate governance statement" is defined in Listing Rule 19.12 to mean the statement referred to in Listing Rule 4.10.3 which discloses the extent to which an entity has followed the recommendations set by the ASX Corporate Governance Council during a particular reporting period.

Listing Rule 4.10.3 requires an entity that is included in the official list as an ASX Listing to include in its annual report either a corporate governance statement that meets the requirements of that rule or the URL of the page on its website where such a statement is located. The corporate governance statement must disclose the extent to which the entity has followed the recommendations set by the ASX Corporate Governance Council during the reporting period. If the entity has not followed a recommendation for any part of the reporting period, its corporate governance statement must separately identify that recommendation and the period during which it was not followed and state its reasons for not following the recommendation and what (if any) alternative governance practices it adopted in lieu of the recommendation during that period.

Under Listing Rule 4.7.4, if an entity chooses to include its corporate governance statement on its website rather than in its annual report, it must lodge a copy of the corporate governance statement with ASX at the same time as it lodges its annual report with ASX. The corporate governance statement must be current as at the effective date specified in that statement for the purposes of Listing Rule 4.10.3.

Under Listing Rule 4.7.3, an entity must also lodge with ASX a completed Appendix 4G at the same time as it lodges its annual report with ASX. The Appendix 4G serves a dual purpose. It acts as a key designed to assist readers to locate the governance disclosures made by a listed entity under Listing Rule 4.10.3 and under the ASX Corporate Governance Council's recommendations. It also acts as a verification tool for listed entities to confirm that they have met the disclosure requirements of Listing Rule 4.10.3.

The Appendix 4G is not a substitute for, and is not to be confused with, the entity's corporate governance statement. They serve different purposes and an entity must produce each of them separately.

² Tick whichever option is correct and then complete the page number(s) of the annual report, or the URL of the web page, where your corporate governance statement can be found. You can, if you wish, delete the option which is not applicable.

³ Throughout this form, where you are given two or more options to select, you can, if you wish, delete any option which is not applicable and just retain the option that is applicable. If you select an option that includes "OR" at the end of the selection and you delete the other options, you can also, if you wish, delete the "OR" at the end of the selection.

Corporate Governance Statement

COVENTRY GROUP LTD
ACN 008 670 102
(**Company**)

30 June 2025

Introduction

The Board of Directors of Coventry Group Ltd ("CYG" or the "Company") is responsible for the corporate governance of the Company.

The practices outlined in this statement are in accordance with the ASX Corporate Governance Council's (ASXCGC) Corporate Governance Principles and Recommendations (4th Edition) unless otherwise stated.

ASXCGC Principle 1

Lay solid foundations for management and oversight.

A listed entity should clearly delineate the respective roles and responsibilities of its Board and management and regularly review their performance.

ASXCGC Recommendation 1.1

A listed entity should have and disclose a Board charter setting out:

- (a) the respective roles and responsibilities of its Board and management; and
- (b) those matters expressly reserved to the Board and those delegated to management.

CYG Practice

The Board has ultimate responsibility for oversight of the management and actions of CYG. It is responsible to shareholders for the Group's overall corporate governance.

The Board has a charter which formalises certain matters relating to the Board. The charter addresses the purpose and role of the Board, its powers, Board membership, independence criteria, meeting formalities, Board sub-committee requirements, self-assessment and appointment procedures as well as a policy on Directors' terms of office. The charter also outlines the role and responsibilities of management.

The Board Charter can be viewed on the Group's website under the tab – 'Investors, Corporate Governance'.

The Company has a formal delegated authority policy which sets out parameters and limits for entering into contractual relationships with customers and suppliers, and a broad range of other operational matters. There are separate policies covering capital expenditure and treasury transactions. The policies are amended and updated as circumstances arise.

ASXCGC Recommendation 1.2

A listed entity should:

- (a) undertake appropriate checks before appointing a Director or senior executive or putting someone forward for election as a Director; and
- (b) provide security holders with all material information in its possession relevant to a decision on whether or not to elect or re-elect a Director.

CYG Practice

The Board undertakes a robust process in selecting a candidate as a Director. External advice is sought, and independent search firms are engaged where warranted.
