About IDT

IDT (ASX:IDT) is an Australian pharmaceutical manufacturing company based in Boronia, Victoria, Australia. The Company has extensive experience in the development and production of high potency and high containment pharmaceutical products for local and international clients. IDT's facilities are cGMP compliant and are regularly audited by the US FDA and Australian TGA. With an experienced team of specialists within world-class facilities, IDT provides a full-scale service for new drug development and scale-up, commercial active drug manufacture as well as a variety of oral and injectable finished drug dose forms.

Forward-looking statements

This announcement contains or may contain forward-looking statements that are based on IDT Australia's beliefs, assumptions, and expectations and on information currently available to IDT Australia.

All statements that address operating performance, events, or developments that IDT Australia or its directors expect or anticipate will occur in the future are forward-looking statements, including, without limitation, statements as to the expectations of IDT Australia or the market it operates in.

IDT Australia believes that these forward-looking statements are reasonable as and when made. You should not place undue reliance on forward-looking statements because they speak only as of the date when made. IDT Australia does not assume any obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events or otherwise. No assurance or guarantee is, or should be taken to be, given in relation to, and no reliance should be placed on, the future business performance or results of IDT Australia or the likelihood that the current assumptions, estimates or outcomes will be achieved. Actual results, developments or events could differ materially from those disclosed in the forward-looking statements.
