SCALARE PARTNERS COMPLETES ACQUISITION OF TANK STREAM LABS **Australia's leading flexible space & service provider for tech companies**

Scalare Partners (ASX: SCP) ("Scalare" or "the Company"), a leading technology accelerator, has completed the 100% acquisition of Tank Stream Labs ("Tank Stream" or "TSL"), a prominent provider of flexible office space and business services tailored for Australia's technology sector.

This acquisition will see Tank Stream fully integrated into the Scalare ecosystem, enhancing Scalare's ability to deliver comprehensive support, services, accelerators, investment, and infrastructure for Australia's technology entrepreneurs. By leveraging TSL's extensive member network and active client base, Scalare will unlock new revenue streams through the delivery of fractional executive services, digital advisory solutions, targeted startup events, and accelerator programs.

Scalare Partners CEO Carolyn Breeze, said *"The acquisition represents a significant milestone in Scalare's strategy to expand its founder support ecosystem and strengthen its position in the Australian technology innovation landscape. TSL's network of premium office locations, strong community of founders, and track record of profitability will enhance Scalare's ability to support early-stage and scaling technology businesses. We welcome CEO Brad Delamar and the Tank Stream Labs team to Scalare and look forward to working closely with them to integrate the business into Scalare."*

About Scalare Partners

Scalare Partners Holdings Limited (ASX: SCP) exists to empower visionary technology founders to transform their ideas into the great businesses of tomorrow. As a dynamic force in the tech startup landscape, we offer a range of products and services to support all founders as they scale their early-stage businesses.

We are deeply involved in the broader technology ecosystem, driving change through impactful initiatives such as the Tech Ready Women and the Australian Technologies Competition, where we partner with government and corporates to support and promote the most promising technology businesses and founders. Our focus extends to working with female and culturally diverse founders, addressing the unique challenges they encounter in fundraising and scaling their businesses. This engagement not only enriches the tech landscape but also creates lucrative revenue and investment opportunities for Scalare Partners.

At the heart of our business model is the provision of products and services and expert advice tailored to the specific needs of early-stage businesses. We also provide direct investment into selected outstanding businesses and with a current emphasis on the Australian and USA technology sectors, we are building a portfolio spanning across diverse geographies, including Australia, USA, New Zealand, Singapore, UK, and Europe. Scalare Partners is not just an investor; we are architects of growth, collaborators in innovation, and catalysts for positive change in the technology landscape.
