Market Update – Financial Performance to 30 June 2014

15 July 2014: Global Health (ASX:GLH) is pleased to provide an update to shareholders and the general market based on the Company's Management Accounts to 30 June 2014.

- 16% increase in Total Revenue by approximately \$700K to \$5.25M;
- 42% increase in Earnings Before Interest Tax Depreciation and Amortisation (EBITDA) by approximately \$500K to \$1.65M;
- 32% increase in Net Profit After Tax (NPAT) to \$1.44M;
- 34% increase in Closing Cash balance to over \$1.1M as at 30 June 2014.
- 10% increase in Earnings per Share (EPS) to 4.42 cents per share. This was approximately 10% below the internal target of 5 cents per share due to delays in contract execution and resultant slippage of revenue to the 2015 financial year.

The Company would like to stress that the full year accounts will be subject to audit and any resulting adjustments to the management accounts.
