About Alliance Aviation

Alliance Aviation is Australia's leading provider of fly-in, fly-out ("FIFO") transportation. Alliance provides an essential service to the mining and energy industry – the safe and efficient air transportation of their employees and contractors to and from remote locations.

The company has the Flight Safety Foundation "BARS Gold" status, the first such carrier in Australia to be so recognised.

The Company owns a fleet of 18 Fokker 100 and 7 Fokker 70LR jet aircraft and six Fokker 50 turboprops at industry leading on time performance and reliability.

Alliance flies workers to and from some of the largest mining operations in Australia for a predominantly "blue chip" mining and energy customer base, and also provides ad hoc charter, aircraft wet lease and aviation engineering services to a range of corporate and government customers.

The Company has a growing national footprint with operations now based in Brisbane, Townsville, Cairns, Adelaide, Perth and Darwin.
