MARKET ANNOUNCEMENT

UPDATE MARKET GUIDANCE

UXC Limited is pleased to provide an update to the market guidance of 18 June 2014 in that UXC will report a substantially lower Net Debt position than anticipated.

The Net Debt as at 30 June 2014 is \$4.4m as against the guidance of \$34m.

A significant contribution to the June cash collection came from material payments, ahead of terms, as a result of successfully delivered milestones on key projects. This coupled with an improved level of general cash collection is a reflection of the strong support from our customers to pay within terms which correlates to high customer satisfaction levels.

Revenue, underlying EBITDA and PBT are, subject to audit clearance, expected to be within 18 June 2014 guidance of:

FY 14 Revenue	\$640m - \$650m
FY 14 Underlying EBITDA	\$35.2m to \$37m
FY 14 Underlying PBT	\$25.0m to \$26.5m

The Board intends to announce the audited full year results and the final dividend on 28 August 2014.
