

## **Appointment of Peter Brecht as Non-Executive Director**

Structural Systems Limited (ASX : STS) is pleased to announce the appointment of Mr Peter Brecht as a Non-Executive Director.

Mr Brecht was previously the Managing Director - Construction Australia for Lend Lease, CEO of Bilfinger Berger Australia and the Managing Director of Abigroup. Mr Brecht has more than 35 years experience in the construction industry with a proven track record in delivery of complex infrastructure projects. He was the President of the Australian Constructors Association (ACA) and was a Board Member on Advisory Boards for Engineering and Built Environs at Newcastle University and The School of Business at QUT.

Mr Brecht continues to be involved in the Industry and is a Board Member on the West Connex Delivery Authority (WDA) for the NSW Government and the Board of Fulton Hogan Ltd. He has been a Member of the Australian Institute of Company Directors since 2000.

Structural System's Chairman, Mr Peter McMorro noted that, "I am extremely pleased that Peter has accepted our invitation to join the Board. Peter is one of Australia's most respected and experienced construction industry executives and I am sure that Peter as a Board Member, will make a significant contribution to the strategic development of Structural Systems into the future. Our Managing Director, David Macgeorge and I are looking forward to working with Peter and the rest of the Board to progress the Company's objectives and strategic plans into the future."

### **About Structural Systems Limited**

The Company commenced as BBR Australia Pty Ltd in 1961 and was listed on the Australia Securities Exchange as Structural Systems Limited in 1987. The Company operates in the construction and resource sectors. Construction sector activities include infrastructure works, post-tensioning and remedial services. Activities undertaken in the resource sector include drill and blast as well as geotechnical services and radar monitoring systems. Structural Systems operates throughout Australia, the Middle East and Africa and has approximately 650 employees worldwide.
