**RE: Burson Western Australia Update**

In the first quarter of 2014 Burson Group Ltd (“Burson”) and Automotive Holdings Group Ltd (“AHG”) entered into a non-binding letter of offer for Burson to purchase the automotive parts business of AHG’s Covs subsidiary. Covs operates stores throughout Western Australia.

AHG have advised Burson that it no longer intends to proceed with the sale of the Covs business.

Burson is continuing to pursue options to enter the Western Australia market which will complement its existing network.

Since July 2014 Burson has added 5 stores to its network, bringing the total number of stores to 121. Burson remains confident that it will achieve its network target of 124 stores by June 2015 and 175 stores by June 2019.
