Request for Trading Halt

Dear Ms Papas

Further to the Company's market announcement on Friday 21 November 2014 that, in accordance with the agreement between its wholly-owned subsidiary Working Systems Software Pty Ltd and the SA Minister for Health, CHIRON will be de-commissioned on 31st March 2015, the Minister has indicated that he will be seeking to negotiate arrangements with the Company, for the continued use of CHIRON beyond the termination date of 31 March 2015.

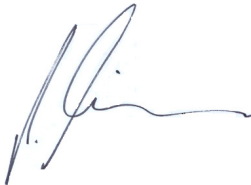

The Company has requested that the securities of the Company be placed in Trading Halt, to enable the Directors to consider the SA Health correspondence received after close of business on Friday 21 November 2014.

The trading halt is sought until the earlier of 10am on Wednesday, 26 November 2014 or until the Company updates the market in this regard.

For the purposes of Listing Rule 17.1, Global Health provides the following information:

1. The trading halt is necessary as otherwise trading in GLH ordinary shares would be conducted in an uninformed market, and
2. The Company is not aware of any reason why the trading halt should not be granted.

Yours sincerely

Peter Curigliano
Company Secretary
