ACQUISITION OF AGED CARE FACILITY

Regis has contracted to purchase a 194 place aged care facility in Cairns, QLD.

The transaction, which is expected to complete on the 31st March 2015 (subject to the approval of the Department of Social Services) will be funded from operational cashflows. The Facility will make no contribution to EBITDA in FY15.

This will be the seventh single site acquisition Regis has completed in the last four years.
