### About M2 Group Ltd

Established in 1999, M2 Group Ltd ("M2", ASX: MTU) is a fast-growing provider of a range of communication, utility and insurance services to Australian households and small businesses. Headquartered in Melbourne, M2 has more than 3000 team members across Australia, New Zealand and the Philippines.

M2's business segment encompasses the Commander and Engin brands, offering a suite of traditional and next generation managed voice and data services, equipment, personalised service and value-added offerings as well as electricity.

The consumer segment, under the leading brands of Dodo and iPrimus, provides Australian households with a low-cost alternative for the full range of telecommunications services in addition to energy and insurance.

Through the M2 Wholesale division, M2 provides a full suite of traditional fixed line, mobile and data telecommunications services as well as next-generation cloud communications services, to small and medium-sized telecommunications service providers and Internet Service Providers.
