REVIEW AND RESULTS OF OPERATIONS

The Directors of Stokes Limited take great pleasure in reporting to you the substantial work and progress that has been achieved during the half year ended 31 December 2014.

First half trading was solid with group revenues of \$7,736,657 marginally up on the \$7,428,178 in the previous corresponding period, a reported net loss for the half year ended 31 December 2014 of \$498,673 compared to a profit of \$13,170 in the previous corresponding period.

The Technologies division made up of audio visual and lighting products continues to expand with sales offices established in NSW and WA and staff numbers in this division now at 15, up from 2 a year ago. We also continued investing in and developing new products with the launch of the Ascendancy and Workspace ranges which we believe positions the company well to expand in future years.

Stokes has also been appointed the exclusive Australian distributor of the Forma Lighting product range. Forma has a large range of commercial LED lighting fixtures well suited to the Stokes model in the Australian market. The Technologies division which will be the future driving force of the company posted revenues of \$1.56M (nil in the pcp) and a first half loss of \$232,074 after expensing over \$300,000 of growth related expenditure.

The appliance parts division is now reaping the benefits of the recently completed restructure with profitability in this division doubling to \$981,763 and online sales reaching 24% a great achievement from where we started two years ago. The industrial manufacturing division has been downsized further during the first half with staff numbers reduced by 9 at a one off cost of \$207,381.

The company continues to invest in quality people and products at the expense of short-term profitability in order to realise its goals of establishing a high growth, sustainable and profitable business.

The results so far are extremely pleasing with a strong project pipeline as we look forward to further progress and success in the coming year.

SIGNIFICANT CHANGES IN THE STATE OF AFFAIRS

There have been no significant changes in the consolidated group and company's state of affairs during the half year ended 31 December 2014.

Notes to the Half-Year Financial Statements

1. BASIS OF PREPARATION OF THE HALF-YEAR FINANCIAL REPORT

The half-year financial report does not include all notes of the type normally included within the annual financial report.

It is recommended that this half-year financial report be read in conjunction with the annual financial report for the year ended 30 June 2014 and any public announcements made by Stokes Limited during the half-year in accordance with any continuous disclosure obligations arising under the *Corporations Act 2001*.

Stokes Limited is a for-profit entity for the purpose of preparing the financial statements.

The half-year financial report was authorised for issue by the directors as at the date of the director's report.

(a) Basis of accounting

This half-year financial report has been prepared in accordance with Australian Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Act 2001*.

The half-year financial report has been prepared in accordance with the historical cost convention.

The accounting policies applied in this half-year financial report are consistent with those of the annual financial report for the year ended 30 June 2014 and the corresponding half-year.

(b) Accounting standards issued but not yet operative

AASB15 introduces a five step process for revenue recognition with the core principle of the new Standard being for entities to recognise revenue to depict the transfer of goods or services to customers in amounts that reflect the consideration to which the entity expects to be entitled in exchange for those goods or services.

AASB15 will also result in enhanced disclosures about revenue, provide guidance for transactions that were not previously addressed comprehensively (for example, service revenue and contract modifications) and improve guidance for multiple-element arrangements.

The directors have not yet assessed the impact (if any) of changes in the standard above.

(c) Going Concern

The financial report has been prepared on a going concern basis, which contemplates continuity of normal business activities and the realisation of assets and settlement of liabilities in the ordinary course of business.

The group incurred a loss from ordinary activities of \$498,673 during the half-year ended 31 December 2014 (2013: profit \$13,170) and cash outflow from operations of \$604,599 (2013: outflow \$1,326,320). These results were inclusive of \$300,000 in redundancy and growth related expenditure.

As at 31 December 2014 the group's net assets were \$1,876,875 (30 June 2014: \$2,375,548) and furthermore the working capital position as at 31 December 2014 resulted in an excess of Current Assets over Current Liabilities of \$3,777,947 (30 June 2014: \$4,315,851). The Directors, having regard to the above, have prepared budgets and plans which show positive cash flow projections and indicate that the group will have sufficient resources to enable the group to continue as a going concern.

(d) Comparatives

Where necessary, comparative information has been reclassified and repositioned for consistency with current year disclosures.

INDEPENDENT AUDITOR'S REVIEW REPORT
TO THE MEMBERS OF
STOKES LIMITED

We have reviewed the accompanying half-year financial report of Stokes Limited and controlled entities, which comprises the condensed consolidated statement of financial position as at 31 December 2014, the condensed consolidated statement of comprehensive income, condensed consolidated statement of changes in equity and condensed consolidated statement of cash flows for the half-year ended on that date, notes comprising a summary of significant accounting policies and other explanatory information, and the directors' declaration of the consolidated entity comprising the company and the entities it controlled at the period's end or from time to time during the half year.

Directors' Responsibility for the Half-Year Financial Report

The directors of the company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including: giving a true and fair view of the consolidated entity's financial position as at 31 December 2014 and its performance for the half-year ended on that date; and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*. As the auditor of Stokes Limited, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Independence

In conducting our review, we have complied with the independence requirements of the *Corporations Act 2001*.
