## **Tabcorp successfully completes the retail component of its capital raising**

Tabcorp Holdings Limited ("Tabcorp") today announced the successful completion of the retail component ("Retail Entitlement Offer") of its fully underwritten 1 for 12 pro rata accelerated renounceable entitlement offer, with retail entitlements trading ("Offer").

### **Results of the retail shortfall bookbuild**

Entitlements to new shares not taken up by eligible retail shareholders under the Retail Entitlement Offer, and entitlements attributable to ineligible retail shareholders, were sold in the retail shortfall bookbuild, which completed today.

Entitlements to approximately 7.7 million new shares were available for purchase under the retail shortfall bookbuild. The retail shortfall bookbuild was supported by both existing institutional shareholders and new institutional investors, achieving a sale price of \$0.82 per entitlement to each new share. Accordingly, the total amount to be paid by successful participants in the retail shortfall bookbuild is \$4.52 per new share (being the Offer price of \$3.70 per new share, plus \$0.82 per entitlement to each new share). Retail shareholders will receive \$0.82 per entitlement to each new share sold for their benefit in the retail shortfall bookbuild (less any applicable withholding tax).

The settlement date for new shares issued under the Retail Entitlement Offer (including those subject to the retail shortfall bookbuild) is Thursday, 12 March 2015. Allotment of these shares is expected to occur on Friday, 13 March 2015 and trading on ASX on a normal settlement basis is expected to commence on Monday, 16 March 2015.

Holding statements for new shares issued under the Retail Entitlement Offer are expected to be despatched to shareholders on Tuesday, 17 March 2015 and proceeds from the retail shortfall bookbuild are expected to be paid to relevant retail shareholders on Wednesday, 18 March 2015.
