Dear Sirs

## **NEW EQUITY RESEARCH COVERAGE**

The Directors of Oil Basins Limited (**OBL** or **Company**; **ASX:OBL**) make the following release as a matter of record. The Company advises that following the SAT decision on Derby Block ownership OBL commissioned a review of the Company's projects by Gordon Capital Pty Ltd. A new equity research report was prepared which has been recently distributed to Gordon Capital's client base and the Company advises that this report is now available for general release to OBL shareholders and investors on the Company's website.

OBL shareholders can access the report on the OBL website [www.oilbasins.com.au](http://www.oilbasins.com.au) - *simply click on Shareholder Centre and click on Research to download the document.*

## **About Gordon Capital**

Gordon Capital assists small and micro-cap companies in telling their story to and connecting with the investment community. More specifically, they provide ongoing research support for companies without broker coverage and distribute this research widely through the investment community to advisers, analysts and small cap fund managers.

Yours faithfully

Neil Doyle SPE
