ASX Announcement

Appendix 4C: Consolidated Statement of Cash Flows

Manalto Limited (ASX: MTL) (formerly Healthlinx Limited, ASX: HTX) ("Company") is pleased to present the attached Appendix 4C: Consolidated Statement of Cash Flows for the quarter ending March 31, 2015.

Key activities during the quarter included the completion of the merger of Healthlinx Limited ("Healthlinx") and Manalto, Inc. ("Manalto"), as described in the prospectus lodged 14 January 2015 ("Prospectus"). Specifically, on 11 March 2015 Healthlinx acquired 100% of Manalto, and the combined entity was renamed Manalto Limited. This is treated as a reverse acquisition because the substance of the transaction is such that the pre-existing shareholders of Manalto obtained substantial control of Healthlinx. Accordingly, the Statement of Cash Flows comprises the cash transactions for Manalto for the full quarter and year to date periods, and the cash transactions for Healthlinx from the date of acquisition forward.

The operations of the Company are centered in the United States including 100% of current employees, the heavy majority of operating cash flows, and the location of the primary business address. Accordingly, the Directors have elected to present financial information in US dollars. All financial figures in this document are denominated in US dollars except where explicitly denoted.

The Company ended the quarter with cash balances of \$3,177 thousand, an increase of \$3,152 thousand from the start of the quarter. Key one-time cash transactions within the quarter include:

1. Issuance of capital of \$4,591 thousand (\$6,000 thousand AUD) as described in the Prospectus, offset by cash outlays directly related to this capital issuance of \$767 thousand, for net cash proceeds of \$3,824 thousand.
2. Proceeds from borrowings of \$233 thousand, which included \$128 thousand in short-term loans which were repaid within the quarter, and \$99 thousand in convertible notes as described in the Prospectus which were converted to ordinary shares within the quarter.

Non-cash financing and investing activities

- 2.1 Details of financing and investing transactions which have had a material effect on consolidated assets and liabilities but did not involve cash flows

Manalto Convertible Notes with a value of approximately \$1,555 thousand USD were converted to Manalto ordinary fully paid shares, as disclosed in the Prospectus lodged 14 January 2015.

The acquisition of Manalto, Inc. by Healthlinx Limited is accounted for under AASB 2 Share Based Payments whereby the non-cash consideration in a reverse acquisition represents a deemed issue of shares by the legal acquiree (Manalto), equivalent to the current shareholder interest in Healthlinx post the acquisition. The excess of the assessed value of the share based payment over the net assets has been expensed to the income statement as a listing fee. The \$10 thousand amount reported in line 1.10(a) reflects the cash acquired.

- 2.2 Details of outlays made by other entities to establish or increase their share in businesses in which the reporting entity has an interest

Notes

1. The quarterly report provides a basis for informing the market how the entity's activities have been financed for the past quarter and the effect on its cash position. An entity wanting to disclose additional information is encouraged to do so, in a note or notes attached to this report.
2. The definitions in, and provisions of, *AASB 107: Statement of Cash Flows* apply to this report except for any additional disclosure requirements requested by AASB 107 that are not already itemised in this report.
3. **Accounting Standards.** ASX will accept, for example, the use of International Financial Reporting Standards for foreign entities. If the standards used do not address a topic, the Australian standard on that topic (if any) must be complied with.
