REQUEST FOR TRADING HALT

THIS IS A PRIORITY ITEM

Bisan Limited (“the Company”) (ASX code: BSN) requests a trading halt of its securities pending a material announcement.

The Company is making enquiries regarding the first shipment of smartphones received in Hong Kong. These goods should be in the store of Kerry Logistics (Hong Kong) Limited but the Company believes that the goods are in the possession of Mr. Yehuda Szender.

The Company is seeking clarification on the above matter and will inform the market once it is in position to do so but no later than the commencement of trading on Wednesday 20 May 2015.

The Company is not aware of any reason why the trading halt should not be granted.

Yours faithfully,

Patrick Volpe
Chairman
