## **ASX Announcement**

**28 May 2015**

### **Dulux New Zealand Retail Distribution**

DuluxGroup today confirmed that its Dulux brand of premium paints would no longer be ranged through Mitre 10 stores in New Zealand.

Dulux branded sales into Mitre 10 New Zealand represent less than 1% of overall DuluxGroup revenue.

We expect to fully mitigate the impact of this change.

Mitre 10 New Zealand is a different business organisation to Mitre 10 Australia. Mitre 10 Australia continues to be strongly aligned to the Dulux brand.
