About Gentrack

Auckland-based Gentrack is a developer of specialist software for energy utilities, water companies and airports around the world. It employs 200 people in offices in Auckland, Melbourne, Brisbane and London and services more than 150 utility and airport sites globally.

Gentrack is comprised of two leading software products - Gentrack Velocity and Airport 20/20. Gentrack Velocity is a specialist billing and CRM product designed for Energy utilities and Water companies in competitive and regulated utilities markets. Airport 20/20 is a comprehensive Airport Management System engineered to optimise an airport's operations through streamlining airport information flows and transforming the passenger experience
