Dear Dean,

Medical Developments International Limited (“MVP”) Trading Halt request

I formally write to request an immediate trading halt for MVP and accordingly note the following:

- The trading halt is requested pending the finalisation of a significant European licensing deal;
- The trading halt is requested until Monday 29 June 2015, when a market announcement will be released pre-market opening; and
- There is no reason that MVP is aware of, that would not warrant the granting of the trading halt.

Should you have any queries please contact me on 0405 494 567

Yours sincerely,

Mark Edwards
Company Secretary
Medical Developments International Limited
