Tassal extends retail supply agreements

Tassal extends retail supply agreements

Tassal Group Limited (ASX: TGR) is pleased to announce that it has extended its current fresh salmon supply agreement with Woolworths and will be supplying fresh salmon to Aldi.

Tassal has extended its current supply agreement with Woolworths from 1 October 2015 to supply Queensland, New South Wales, and Western Australia for a further three (3) years. The new agreement will see Tassal supply fresh salmon directly to Woolworths through De Costi Seafoods for Queensland and New South Wales.

In addition, Tassal will supply fresh salmon to Aldi through De Costi Seafoods in Queensland and New South Wales. This will also result in the replacement of imported salmon supply. This agreement is for a 12 month period from 1 October 2015.

Commenting on the supply agreements with Woolworths and ALDI, Tassal Managing Director & CEO Mark Ryan said:

"We are delighted that both Woolworths and ALDI have put in place these agreements from 1 October 2015. These agreements further show how Tassal and De Costi Seafoods can successfully work together in providing improved supply to Australian retailers. Our strategy focused on growing domestic market per capita consumption will continue to underpin growing demand for salmon in Australia."
