QUARTERLY REPORT ON ACTIVITIES

April to June 2015

Overview

Over the last six months Copper Strike Limited ("Copper Strike" or "the Company") has provided updates to shareholders on the possible taxation consequences of a potential future disposal of its Syrah shares. The Company announced on 18 March 2015 that it had received written confirmation from the Australian Taxation Office in regards to the issue of generating and utilising franking credits from the proceeds of a potential disposal of its Syrah shares, and within that announcement it highlighted what the Company would need to do in order to generate sufficient franking credits to pay a fully franked dividend.

Copper Strike currently has no exploration interests and is not currently pursuing any project generation work.

Administration

Expenditure for the Quarter was \$72,000. As of 30 June 2015 Copper Strike had approximately \$503,000 in the bank. Expenditure going forward is expected to be approximately \$100,000 per Quarter, which excludes possible further one off items.

Notes

- 1 The quarterly report provides a basis for informing the market how the entity's activities have been financed for the past quarter and the effect on its cash position. An entity wanting to disclose additional information is encouraged to do so, in a note or notes attached to this report.
- 2 The "Nature of interest" (items 6.1 and 6.2) includes options in respect of interests in mining tenements acquired, exercised or lapsed during the reporting period. If the entity is involved in a joint venture agreement and there are conditions precedent which will change its percentage interest in a mining tenement, it should disclose the change of percentage interest and conditions precedent in the list required for items 6.1 and 6.2.
- 3 **Issued and quoted securities.** The issue price and amount paid up is not required in items 7.1 and 7.3 for fully paid securities.
- 4 The definitions in, and provisions of, *AASB 1022: Accounting for Extractive Industries* and *AASB 1026: Statement of Cash Flows* apply to this report.
- 5 **Accounting Standards** ASX will accept, for example, the use of International Accounting Standards for foreign entities. If the standards used do not address a topic, the Australian standard on that topic (if any) must be complied with.
