The qualification for the bid round triggers a payment to the 2D seismic provider Multi Client Geophysical (**MCG**) of US\$517,107.00 which, by prior agreement, will be paid in Antilles stock. Antilles welcomes MCG as a new shareholder and expects they will continue to assist and work with Antilles in our understanding of the prospectivity of Barbados.

### **About Barbados**

Barbados is one of the wealthiest growing economies in the Caribbean region. Main economic activities are tourism, sugar and manufacturing. Barbados is a parliamentary democracy and a part of the Commonwealth (CIA Factbook 2015).

**“Antilles looks forward to the successful bid round in this attractive area for high impact exploration which offers shareholders high impact potential in value creation. Barbados is an integral part of the Antilles strategy to develop deep water plays. Barbados is an attractive investment environment where Antilles looks to understand and develop further exploration opportunities.”**
