This Corporate Governance Statement of Environmental Clean Technologies Limited (the 'company') has been prepared in accordance with the 3rd Edition of the Australian Securities Exchange's ('ASX') Corporate Governance Principles and Recommendations of the ASX Corporate Governance Council ('ASX Principles and Recommendations'). The company's ASX Appendix 4G, which is a checklist cross-referencing the ASX Principles and Recommendations to the relevant disclosures in either this statement, our website or Annual Report, is contained on our website at www.ectltd.com.au.

This statement has been approved by the company's Board of Directors ('Board') and is current as at 24 August 2015.

The ASX Principles and Recommendations and the company's response as to how and whether it follows those recommendations are set out below.

Principle 1: Lay solid foundations for management and oversight

Recommendation 1.1 - A listed entity should disclose: (a) the respective roles and responsibilities of its board and management; and (b) those matters expressly reserved to the board and those delegated to management.

The Board provides strategic direction, guidance and oversight of management, facilitates accountability to the company's shareholders through defined roles and responsibilities for the Board and executive management, and ensures that there is a balance of power and appropriate authorisations to avoid any individual having sole authority. The specific responsibilities of the Board are as follows:

- appointment of the Managing Director or Chief Executive;
- assessment of ECT's management performance, measured against clearly identified objectives;
- preservation of the integrity and credibility of ECT's businesses;
- prudent management of shareholders' funds;
- evaluation of opportunities for value-creating growth;
- involvement in the planning and review of the company's strategic direction;
- approval of short and long term business plans;
- ensuring that there are effective environmental, health and safety procedures in place; and
- approval of half-year and annual reports.

The Board delegates many of its responsibilities to the Managing Director who is responsible to the Board for the day-to-day management of the company. The relationship between the Board and management is a partnership that is crucial to the company's long-term success. The separation of responsibilities between the Board and management is clearly understood and respected. Importantly for ensuring the integrity of the financial statements the Managing Director provides a management representation letter to the Board that certifies that the company's financial statements present a true and fair view of the results and the financial position of the company and are in accordance with relevant accounting standards.

In addition, the Board has received a statement from the Managing Director that the declaration provided in accordance with section 295A of the Corporations Act 2001 is founded on a sound system of risk management and internal control and that the system is operating efficiently in all material aspects in relation to financial reporting risks.

Recommendation 1.2 - A listed entity should: (a) undertake appropriate checks before appointing a person, or putting forward to security holders a candidate for election, as a director; and (b) provide security holders with all material information in its possession relevant to a decision on whether or not to elect or re-elect a director.

The company undertakes comprehensive reference checks prior to appointing a director, or putting that person forward as a candidate to ensure that person is competent, experienced, and would not be impaired in any way from undertaking the duties of director. The company provides relevant information to shareholders for their consideration about the attributes of candidates together with whether the Board supports the appointment or re-election.

Recommendation 1.3 - A listed entity should have a written agreement with each director and senior executive setting out the terms of their appointment.

The terms of the appointment of a non-executive director, executive directors and senior executives are agreed upon and set out in writing at the time of appointment.

Recommendation 1.4 - The company secretary of a listed entity should be accountable directly to the board, through the chair, on all matters to do with the proper functioning of the board.

The Company Secretary reports directly to the Board through the Chairman and is accessible to all directors.

Recommendation 1.5 - A listed entity should (a) have a diversity policy which includes requirements for the board or a relevant committee of the board to set measurable objectives for achieving gender diversity and to assess annually both the objectives and the entity's progress in achieving them; (b) disclose that policy or a summary of it; and (c) disclose as at the end of each reporting period the measurable objectives for achieving gender diversity set by the board or a relevant committee of the board in accordance with the entity's diversity policy and its progress towards achieving them, and either: (1) the respective proportions of men and women on the Board, in senior executive positions and across the whole organisation (including how the entity has defined "senior executive" for these purposes); or (2) if the entity is a "relevant employer" under the Workplace Gender Equality Act, the entity's most recent "Gender Equality Indicators", as defined in and published under that Act.

The directors note the ASX Corporate Governance Council Recommendation for companies to establish a policy concerning diversity. The company does not comply with this recommendation nor does it expect to in the near term. The establishment of policies regarding the structure and make-up of the company's workforce prior to establishing the commerciality of the company's technology is considered by the directors to be premature. The company does not, at this stage, have any permanent female staff or directors.

Recommendation 1.6 - A listed entity should (a) have and disclose a process for periodically evaluating the performance of the Board, its committees and individual directors; and (b) disclose, in relation to each reporting period, whether a performance evaluation was undertaken in the reporting period in accordance with that process.

The Board's policy is to review its performance annually, as well as the performance of individual Committees and individual directors (including the performance of the Chairman as Chairman of the Board). The use of an external facilitator may be utilised periodically to assist in the review process. The review for the current financial year will occur before December 2015 and be led by the Chairman. The process includes collective Board discussions and individual interviews conducted by the Chairman. The review of the Chairman's role is conducted by the Chair of the Audit and Risk Committee.

Recommendation 1.7 - A listed entity should (a) have and disclose a process for periodically evaluating the performance of its senior executives; and (b) disclose, in relation to each reporting period, whether a performance evaluation was undertaken in the reporting period in accordance with that process.

The Board conducts an annual performance assessment of the CEO against agreed performance measures determined at the start of the year. The CEO undertakes the same assessments of senior executives. In assessing the performance of the individual, the review includes consideration of the senior executive's function, individual targets, group targets, and the overall performance of the company. Such a reviews were conducted during reporting period.

Principle 2: Structure the board to add value

Recommendation 2.1 - The board of a listed entity should (a) have a nomination committee which: (1) has at least three members, a majority of whom are independent directors; and (2) is chaired by an independent director, and disclose: (3) the charter of the committee; (4) the members of the committee; and (5) as at the end of each reporting period, the number of times the committee met throughout the period and the individual attendances of the members at those meetings; or (b) if it does not have a nomination committee, disclose that fact and the processes it employs to address Board succession issues and to ensure that the board has the appropriate balance of skills, knowledge, experience, independence and diversity to enable it to discharge its duties and responsibilities effectively.

The Board maintains a combined Nomination and Remuneration Committee, whose members during the financial year, were as follows:

Director's name	Executive status	Independence status
Glenn Fozard	Non-Executive Chairman	Independent
Iain McEwin (1 July 2014 - 5 June 2015)	Non-executive Director	Independent
Stephen Carter (1 July 2014 – 11 July 2015)	Non-executive Director	Independent
David Smith (1 Feb 2015 – 30 June 2015)	Non-executive Director	Independent

All Committee members and the Chair are independent. Mr McEwin resigned just prior to the reporting date and will be replaced by Mr Richards from 1 July 2015.

The Charter of the Committee is available at the company's website - <http://www.ectltd.com.au/about-us/corporate-governance/>.

The number of Committee meetings held and attended by each member is disclosed in the 'Meetings of directors' section of the Directors' report.

Recommendation 2.2 - A listed entity should have and disclose a board skills matrix setting out the mix of skills and diversity that the board currently has or is looking to achieve in its membership.
