2015 Notice of Annual General Meeting

## Explanatory Notes

### Item 1 – Receive and consider the financial and other reports

The Corporations Act 2001 (Cth) ("**Corporations Act**") requires the Financial Report, Directors' Report and Auditor's Report to be laid before the meeting. There is no requirement in the Corporations Act or the Company's Constitution for shareholders to vote on, approve or adopt these reports.

Shareholders will have a reasonable opportunity to ask questions and make comments on these reports and on the management of the Company.

### Item 2 – Remuneration Report (non-binding vote)

The Board submits its Remuneration Report to shareholders for consideration and adoption by way of non-binding resolution. The Directors will consider the outcome of the vote and comments made by the shareholders on the Remuneration Report at the meeting when reviewing the Company's remuneration policies.

This resolution is advisory only and does not bind the Directors or the Company. However, if 25% of the votes that are cast are voted against the adoption of the Remuneration Report at two consecutive AGMs, shareholders will be required to vote at the second of those AGMs on a resolution (a "spill resolution") that another meeting be held within 90 days at which those of the Company's Directors (other than the Managing Director) who held office when the resolution was passed to make the Directors' Report considered at the second AGM must stand for re-election.

The Remuneration Report is set out in the Directors' Report in the 2015 Annual Report. The Remuneration Report:

- Explains the Board's policy for determining the nature and amount of remuneration of executive Directors and senior executives of the Company;
- Discusses the relationship between the Board's remuneration policy and the Company's performance;
- Sets out the actual remuneration for the financial year ended 30 June 2015 for each Director and each member of the Company's senior executive management team; and
- Details and explains any performance hurdles applicable to the remuneration of executive Directors and senior executives of the Company.

A reasonable opportunity will be provided for discussion of and questions relating to the Remuneration Report at the meeting.

The Board considers that the Company's remuneration policies are structured to provide rewards based on its performance and are competitive with those in the markets in which it operates. On that basis, and with each Director acknowledging their own personal interest, the board unanimously recommends that shareholders vote in favour of the Remuneration Report.

**Voting exclusion statement** - No votes can be cast by or on behalf of a member of Key Management Personnel (as identified in the Remuneration Report) ("**KMP**") and their closely related parties (collectively referred to as a "**Prohibited Voter**"). However, a Prohibited Voter may vote directed proxies for someone other than a Prohibited Voter and the Chairman may vote as proxy for someone other than a Prohibited Voter in accordance with a direction on the proxy form to vote as the proxy decides.

The Chairman of the meeting intends to vote undirected proxies in favour of Item 2.

If the Chairman of the Meeting is appointed as your proxy, or if the Chairman of the Meeting becomes your proxy by default, and you do not provide a voting direction, you are expressly authorising the Chairman of the Meeting to exercise your proxy even if the resolution is connected directly or indirectly with the remuneration of a member of the KMP.

In accordance with ASX Listing Rule 14.11, the Company will disregard any votes cast on these resolutions by a Director of the Company or any of their associates. However, the Company is not required to disregard a vote if:

- it is cast by a person as proxy for a person who is entitled to vote in accordance with the directions on the proxy form; or
- it is cast by the Chairman of the meeting as proxy for a person who is entitled to vote, in accordance with a direction on the proxy form to vote as the proxy decides.

Further, a member of Key Management Personnel and their closely related parties may not vote as a proxy on these resolutions if the appointment does not specify how the proxy is to vote.

The Chairman of the meeting intends to vote undirected proxies in favour of these resolutions where authorised to do so by the relevant proxy form.

Given their interest in the subject matter of these resolutions, the Directors make no recommendation to shareholders on Items 4 (a), (b), (c), (d), (e) or (f).

### **Item 5 – Approval of additional 10% Placement Facility**

#### **Purpose**

The purpose of this resolution is to authorise the Company to issue a further 10% of its issued share capital under ASX Listing Rule 7.1A during the 10% Placement Period (as defined below) in addition to and without using the Company's 15% placement capacity under ASX Listing Rule 7.1. This would effectively provide the Company with a total placement capacity of 25% (less that part of its placement capacity not available under ASX Listing Rule 7.1).

#### **General**

ASX Listing Rule 7.1A enables "eligible entities" to seek shareholder approval (by special resolution) at an annual general meeting, to issue equity securities of up to 10% of its total issued capital during the 12 month period after the annual general meeting ("**10% Placement Facility**").

An "eligible entity" for the purposes of ASX Listing Rule 7.1A is an entity that (as at the date of the annual general meeting):

- is not included in the S&P / ASX 300 Index; and
- has a market capitalisation of \$300 million or less.

As at the date of these Explanatory Notes, the Company is an "eligible entity" for the purposes of ASX Listing Rule 7.1A.

Any equity securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of equity securities of the Company. The Company, as at the date of this Notice of Meeting has on issue one class of equity securities, namely ordinary shares (ASX Code: CGS).

The Company is seeking shareholder approval by a special resolution to have the ability to issue equity securities under the 10% Placement Facility. The exact number of equity securities to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in ASX Listing Rule 7.1A.2 and described below.

### Formula for calculating 10% Placement Facility

ASX Listing Rule 7.1A.2 provides that eligible entities that have obtained shareholder approval under ASX Listing Rule 7.1A may issue, or agree to issue, a number of equity securities calculated in accordance with the following formula:

$$(A \times D) - E$$

- A = The number of fully paid shares on issue 12 months before the date of issue or agreement to issue:
- plus the number of fully paid shares issued in the 12 months under an exception in ASX Listing Rule 7.2;
  - plus the number of partly paid shares that became fully paid in the 12 months;
  - plus the number of fully paid shares issued in the 12 months with approval of shareholders under ASX Listing Rules 7.1 or 7.4; and
  - less the number of fully paid shares cancelled in the 12 months.
- D = 10%.
- E = The number of equity securities issued or agreed to be issued under ASX Listing Rule 7.1A.2 in the 12 months before the date of issue or agreement to issue, that are not issued with the approval of shareholders under ASX Listing Rules 7.1 or 7.4.

### Specific disclosures required by ASX Listing Rule 7.3A

Pursuant to and in accordance with ASX Listing Rule 7.3A, the below information is provided in relation to the approval of the 10% Placement Facility:

#### a. Issue Price

The equity securities (if any) will be issued at an issue price of not less than 75% of the volume weighted average price of the Company's equity securities in that class over the 15 trading days on which trades in that class were recorded immediately before:

- i. the date on which the price at which the securities are to be issued is agreed; or
- ii. if the securities are not issued within 5 trading days of the date mentioned in paragraph (i) above, the date on which the securities are issued.

#### b. Risk of Economic and Voting Dilution

If this resolution is approved by shareholders and the Company issues shares under the 10% Placement Facility, the existing shareholders' voting power in the Company will be diluted as shown in Table 1.

There is a risk that:

- the market price for the Company's equity securities in that class may be significantly lower on the date of the issue of the equity securities than on the date of the approval under Listing Rule 7.1A; and
- the equity securities may be issued at a price that is at a discount to the market price for the Company's equity securities on the issue date.

Table 1

Table 1 shows the dilution of existing shareholders on the basis of the current market price of shares and the current number of ordinary securities for variable "A" calculated in accordance with the formula in ASX Listing Rule 7.1A.2 as at the date of this Notice of Meeting. The table also shows the voting dilution impact where the number of shares on issue (variable A in the formula) changes and the economic dilution where there are changes in the issue price of shares issued under the 10% Placement Capacity.

Number of Shares on issue	Number of Shares that may be issued under 10% Placement Facility	Dilution		
		Funds raised based on issue price of \$0.11 (50% decrease in current issue price)	Funds raised based on issue price of \$0.22 (current issue price)	Funds raised based on issue price of \$0.33 (50% increase in current issue price)
107,481,016	10,748,102	\$1,182,291	\$2,364,582	3,546,874
161,221,524 (50% increase)	16,122,152	\$1,773,437	\$3,546,874	\$5,320,310
214,962,032 (100% increase)*	21,496,203	\$2,364,582	\$4,729,165	\$7,093,747

\* The number of shares on issue (variable "A" in the formula) could increase as a result of the issue of shares that do not require shareholder approval under ASX Listing Rule 7.1 or that are issued with shareholder approval under ASX Listing Rule 7.1.

Table 1 has been prepared on the following assumptions:

- the current shares on issue are the shares on issue as at the date of this Explanatory Note;
- the current issue price set out above is the closing price of the shares on the ASX on 10 September 2015;
- the Company issues the maximum number of shares available under the 10% Placement Facility; and
- No options are exercised into shares before the date of the issue of the shares under the 10% Placement Facility.

### c. Issue date

The Company will only issue equity securities under the 10% Placement Facility during the 10% Placement Period (as defined below).

Shareholder approval under ASX Listing Rule 7.1A is valid from the date of shareholder approval until the earlier of:

- the date that is 12 months after the date of approval under ASX Listing Rule 7.1A; or
- the date the Company obtains shareholder approval for a transaction under ASX Listing Rule 11.1.2 (significant change to nature or scale of activities) or ASX Listing Rule 11.2 (disposal of main undertaking),

("10% Placement Period").

#### **d. Purpose of Issue**

The Company may seek to issue the equity securities under the 10% Placement Facility for:

- cash consideration. The Company may use the funds raised (without limitation):
  - o in the pursuit of commercialising Cogstate technology in the Healthcare area (that is, use of Cogstate technology by primary care physicians), including but not limited to the pursuit of required regulatory registrations and staff additions to facilitate an expansion into strategic territories around the world;
  - o to help continue Cogstate's Research & Developments and Precision Recruitment efforts, with a particular focus on Alzheimer's disease specifically, as well as other types of dementia;
  - o general working capital; and
- non-cash consideration. This may include (without limitation) an acquisition of new assets and other investments. If such circumstances arise, the Company will provide a valuation of the non-cash consideration as required by ASX Listing Rule 7.1A.3.

There are no current proposals to utilise the 10% Placement Facility. Should any specific proposals be approved by the Board, the Company will announce same to ASX as required by the its continuous disclosure obligations.

#### **e. Allocation Policy**

The Company will comply with the disclosure obligations under ASX Listing Rules 7.1A.4 and 3.10.5A upon issue of any equity securities using the 10% Placement Facility. The Company's allocation policy will be dependent on the prevailing market conditions at the time of any proposed issue. The identity of the allottees of equity securities will be determined on a case-by-case basis having regard to a range of factors, including but not limited to, the following:

- the methods for raising funds that are available to the Company, including but not limited to, a rights issue and other fundraising structures in which existing security holders can participate;
- the effect of the issue of the shares on the control of the Company;
- the financial situation and solvency of the Company; and
- advice from corporate, financial and broking advisers (if applicable).

The allottees under the 10% Placement Facility have not been determined as at the date of this Notice of Meeting but may include existing substantial shareholders and/or new shareholders who are not related parties or associates of a related party of the Company.

#### **f. Previous Approval under ASX Listing Rule 7.1A**

The Company previously obtained shareholder approval under ASX Listing Rule 7.1A at the annual general meeting on 23 October 2014. However, the Company has not issued any equity securities under ASX Listing Rule 7.1A since that date.

In accordance with ASX Listing Rule 7.3A.6, the following information is provided to shareholders regarding the equity securities issued in the previous 12 months preceding the date of the Annual General Meeting (that is, since 23 October 2014):
