

8 October 2015

## ACN Welcomes New Executive Team

Australian Careers Network (ASX:ACO) Board of Directors are pleased to announce the appointment of a number of key personnel, effective Monday the 5<sup>th</sup> of October, 2015.

### Chief Financial Officer

Wayne Treeby

Wayne has had a distinguished career at Telstra including roles as Group Financial Controller/Executive Director and Head of Investor Relations. Wayne's most recent role was CFO and COO for KPMG Australia.

### Chief Technology Officer

Leigh Monti

Leigh has held a number of senior roles, most recently as Director of Sales at Bauer Media Group, where he demonstrated significant success in developing growth in digital revenues. Prior to this position, Leigh held pivotal leadership positions with ACP Magazines (as part of the Nine Entertainment Group), APN News and Media and also as Founder & Managing Partner of Axis Media Communications.

### General Manager Human Resources

Brett Dunstone

Brett has over 25 years' experience in senior human resource management roles across a diverse industry portfolio. He served as Head of Human Resources for Crown Casino, Melbourne, Village Roadshow, Myer Group and most recently, Kingsgate Consolidated Limited.

### Internal Audit

The company has also appointed an internal auditor to further strengthen the corporate governance and risk management of the business. This further solidifies the company's commitment to strong and rigorous corporate governance and is in line with best practice.

Managing Director Ivan Brown stated "Due to recent exponential growth, the company has identified the requirement to significantly strengthen senior management capability and experience. Adding this calibre of leadership will underpin the future sustainable growth of the organisation."
