²² In deciding if an entity's total tangible assets are in a form readily convertible to cash, ASX would normally not treat inventories or receivables as readily convertible to cash.

²³ For mining exploration entities and oil and gas exploration entities, the amount must be available after allowing for the first full financial year's budgeted administration costs and the cost of acquiring plant, equipment, mining tenements and/or petroleum tenements. The cost of acquiring mining tenements and/or petroleum tenements includes the cost of acquiring and exercising an option over them.

²⁴ Note: the review must be conducted by a registered company auditor (or if the Entity is a foreign entity, an overseas equivalent of a registered company auditor) or independent accountant.
