Voting entitlement

The Board has determined in accordance with regulation 7.11.37 of the Corporations Regulations that for the purpose of voting at the Annual General Meeting, Shares will be taken to be held by those persons who hold them at 7.00pm (Melbourne time) on 21 November 2015. This means that if you are not the registered holder of a Share at that time you will not be entitled to vote at the Annual General Meeting in respect of that Share.

Voting by proxy

Each Shareholder who is entitled to attend and vote at the Annual General Meeting may appoint a proxy to attend and vote on behalf of that Shareholder as an alternative to attending the Annual General Meeting in person. The proxy need not be a Shareholder of the Company.

A Shareholder who is entitled to cast two or more votes may appoint one or two proxies and may specify the proportion or number of votes that each proxy is appointed to exercise. If a Shareholder appoints two proxies and the appointment does not specify the proportion, or number, of Shareholder's votes, each proxy may exercise half the Shareholder's votes (disregarding fractions).

Directed and Undirected Proxies

If you choose to appoint a proxy, the Board encourages you to direct your proxy how to vote on each resolution, particularly Resolution 1 (Remuneration Report), by marking either '**For**', '**Against**' or '**Abstain**' for the item of business on the proxy form.

If you sign the enclosed proxy form and do not appoint the chairperson or specify an individual or body corporate as your proxy, you will have appointed the chairperson as your proxy by default. In that case, your Shares will be voted on the proposed resolutions in accordance with your directions on the proxy form.

If you do not direct the chairperson how to vote your Shares, the chairperson will vote undirected proxies on, and in favour of, all of the proposed resolutions including Resolution 1 (Remuneration Report). Where the chairperson is appointed as your proxy, you will be taken to have expressly authorised the chairperson to cast your votes on Resolution 1.

If you appoint as your proxy any other Director, any other of the Company's Key Management Personnel or any of their closely related parties, they will vote undirected proxies in favour of all of the proposed resolutions except Resolution 1 (Remuneration Report). They will not cast any votes in respect of Resolution 1 (Remuneration Report) that arise from undirected proxies.

'Key management personnel' of the Company for the financial year ended 30 June 2015 are identified in the Remuneration Report, which forms part of the Company's 2015 Annual Report. The 'closely related parties' of the Company's Key Management Personnel are defined in the Corporations Act, and include certain of their family members, dependants and companies they control.

Voting exclusion statements

Resolution 1

A vote on Resolution 1 must not be cast (in any capacity) by or on behalf of:

- (b) a closely related party (such as close family members and any controlled companies) of such a Key Management Personnel.

However, the Company will not disregard a vote cast on Resolution 1 as a proxy for a person who is entitled to vote and:

- (a) the proxy appointment is in writing and specifies how the proxy is to vote (for, against, abstain); or
- (b) the vote is cast by the chairperson and:
 - (i) the appointment does not specify how the proxy is to vote; and
 - (ii) the appointment expressly authorises the chairperson to exercise the proxy even if the resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel.

For the purposes of this voting exclusion, Key Management Personnel are the directors and those other persons who have authority and responsibility for planning, directing and controlling the activities of the Company, either directly or indirectly, as listed in the Remuneration Report for the year ended 30 June 2015. Their 'closely related parties' are defined in the Corporations Act, and include certain of their family members, dependants and companies they control.

Resolution 3

In accordance with the Listing Rules, the Company will disregard any votes cast on Resolution 3 by any person who may participate in the issue of Equity Securities under Resolution 3 and any person who might obtain a benefit, except a benefit solely in the capacity of a holder of ordinary securities in the Company, if Resolution 3 is passed, and any associates of those persons.

However, in relation to Resolution 3, the Company need not disregard a vote if:

- (a) it is cast by a person as proxy for a person who is entitled to vote in accordance with the directions on the proxy form; or
- (b) it is cast by the chairperson as proxy for a person who is entitled to vote, in accordance with a direction on the proxy form to vote as the proxy decides.

Resolution 4

In accordance with the Listing Rules, the Company will disregard any votes cast on Resolution 4 by a person who participated in the issue of Shares under the May Placement (as defined in the explanatory notes) or their associates.

- (a) it is cast by a person as proxy for a person who is entitled to vote, in accordance with the directions on the proxy form; or
- (b) it is cast by the chairperson as proxy for a person who is entitled to vote, in accordance with a direction on the proxy form to vote as the proxy decides.

Resolution 5

In accordance with the Listing Rules, the Company will disregard any votes cast on Resolution 5 by any of the Directors or their associates.

However, in relation to Resolution 5, the Company need not disregard a vote if:

- (a) it is cast by a person as proxy for a person who is entitled to vote, in accordance with the directions on the proxy form; or
- (b) it is cast by the chairperson as proxy for a person who is entitled to vote, in accordance with a direction on the proxy form to vote as the proxy decides.

Required Majority

Resolutions 1, 2, 4 and 5 proposed in this notice of meeting are ordinary resolutions and will be passed if, in each case, more than 50% of the votes cast by Shareholders entitled to vote on each resolution are cast in favour of the relevant resolution.

Resolution 3 proposed in this notice of meeting is a special resolution and will be passed if 75% or more of the votes cast by Shareholders entitled to vote on the resolution are cast in favour of the resolution.

EXPLANATORY NOTES

1 Financial Statements and Reports

The Corporations Act requires the following reports in respect of the financial year ended 30 June 2015 to be laid before the Annual General Meeting:

- (a) Financial Report (which includes financial statements and the Directors' declaration);
- (b) Directors' Report; and
- (c) Auditor's Report.

Shareholders have been provided with all relevant information concerning these reports in the Annual Report of the Company for the year ended 30 June 2015 (**Annual Report**). A copy of the Annual Report has been sent to each Shareholder (other than those Shareholders who have previously elected not to receive the Annual Report, whether in paper form or electronically). Any Shareholder who has made this election and now wishes to receive a paper or electronic copy of the Annual Report should contact the Company to arrange receipt. The Annual Report can also be viewed, printed and downloaded from the Company's website at www.apnpg.com.au.

There is no requirement either in the Corporations Act or the Constitution for Shareholders to approve the Financial Report, the Directors' Report or the Auditor's Report.

However, Shareholders will be given a reasonable opportunity as a whole at the Annual General Meeting to ask questions and make comments on these reports, and on the business, operations and management of the Company.

Further, in accordance with section 250PA of the Corporations Act, a Shareholder who is entitled to cast a vote at the Annual General Meeting may submit a written question to the Company's auditor if the question is relevant to:

- (a) the content of the Auditor's Report; or
- (b) the conduct of the audit of the Financial Report,

by giving the question to the Company by no later than 10.00am on 16 November 2015 (being 5 business days before the day on which the Annual General Meeting is to be held). The auditor will then compile the questions relevant to the content of the Auditor's Report or the conduct of the audit of the Financial Report into a question list. At or before the start of the Annual General Meeting, the Company will make the question list reasonably available to the Shareholders attending the Annual General Meeting.

2 Remuneration Report (Resolution 1)

Section 250R(2) of the Corporations Act requires listed companies to put a resolution to their shareholders that the Remuneration Report be adopted. **The vote on this resolution is advisory only, and does not bind the Board or the Company.**

The Remuneration Report forms part of the Directors' Report and is included in the Annual Report for the financial year ended 30 June 2015.

The Remuneration Report must contain the information required under section 300A of the Corporations Act, including:

- (a) discussion of board policy for determining the nature and amount of remuneration of its Key Management Personnel;
- (b) discussion of the relationship between the Board's policy for determining the remuneration of the Company's Key Management Personnel and the Company's performance;
- (c) if an element of the remuneration of a member of the Company's Key Management Personnel is dependent on satisfaction of a performance condition:
 - (i) a detailed summary of the performance condition;
 - (ii) an explanation of why the performance condition was chosen;
 - (iii) a summary of the methods used in assessing whether the performance condition is satisfied and an explanation of why those methods were chosen; and
 - (iv) if the performance condition involves a comparison with factors external to the Company, a summary of those factors and if any of the factors relate to the performance of another company or companies or a securities index, the identity of that company, companies or index; and
- (d) the remuneration details for each of the Company's Key Management Personnel named in the Remuneration Report for the financial year ended 30 June 2015.

The Board will consider the vote and comments made by Shareholders on the Remuneration Report at the Annual General Meeting when reviewing the Company's remuneration policies. If 25% or more of the votes that are cast are voted against the adoption of the Remuneration Report at two consecutive annual general meetings, Shareholders will be given the opportunity to vote at the second of those meetings on a resolution that another meeting be held within 90 days at which all of the Directors (other than the Managing Director) must stand for re-election. At the Company's 2014 annual general meeting, the votes cast by shareholders against the adoption of the Remuneration Report were less than 25%.

Where the chairperson is authorised to do so, undirected proxies held by the chairperson will be voted in favour of Resolution 1 (Remuneration Report) even though the resolution is connected directly or indirectly with the remuneration of a member of the Company's Key Management Personnel. However, if another Director or any of the Company's Key Management Personnel (or any of their closely related parties) other than the chairperson is appointed as a proxy, they will not cast any votes in respect of Resolution 1 that arise from any undirected proxies they hold.

'Key management personnel' of the Company for the financial year ended 30 June 2015 are identified in the Remuneration Report, which formed part of the Annual Report. The 'closely related parties' of the Company's Key Management Personnel are defined in the Corporations Act, and include certain of their family members, dependants and companies they control.

If you choose to appoint a proxy, the Board encourages you to direct your proxy how to vote on Resolution 1 (Remuneration Report) by marking either '**For**', '**Against**' or '**Abstain**' for this item of business on the proxy form.

Shareholders will be given a reasonable opportunity at the Annual General Meeting to ask questions about, or make comments on, the Remuneration Report.

No recommendation

The Directors make no recommendation with respect to voting on Resolution 1.

3 Re-election of Director - Clive Appleton (Resolution 2)

Clive Appleton will retire by rotation in accordance with clause 4.3(c) of the Constitution and, being eligible, offers himself for re-election.

The following information has been provided by Mr Appleton in support of his re-election as a Director.

Mr Appleton joined the Company as Managing Director in 2004. From 2008 to December 2012, Mr Appleton was the Executive Director responsible for managing APN's private funds division. In 2013, Mr Appleton became a non-executive Director.

Mr Appleton has had a successful career in property and funds management, having worked for some of Australia's leading retail property investment, management and development groups.

Prior to joining the Company, Mr Appleton was the Managing Director of the Gandel Group (1997 - 2004) and between 1990 and 1997 Mr Appleton was the Managing Director of Centro Properties Limited.

Mr Appleton is a director of Arrow International Group Limited, Aspen Group, Federation Centres and the Gandel Group and a council member of the Cairnmillar Institute.

Recommendation

The Board (with Mr Appleton abstaining) recommends that Shareholders vote in favour of Resolution 2.

4 Approval of 10% Placement Capacity (Resolution 3)

Listing Rule 7.1A came into effect on 1 August 2012 and enables an Eligible Entity to seek approval by special resolution at its Annual General Meeting to issue Equity Securities up to 10% of its issued capital over a period of up to 12 months after the Annual General Meeting, in addition to those under the 15% annual placement capacity (**10% Placement Capacity**).

An **Eligible Entity** is one that, as at the date of the relevant Annual General Meeting:

- (a) is not included in the S&P/ASX 300 Index; and
- (b) has a maximum market capitalisation (excluding restricted securities and securities quoted on a deferred settlement basis) of \$300 million.

The Company is an Eligible Entity as it is not included in the S&P/ASX 300 Index and had a market capitalisation at the close of business on 5 October 2015 of \$105.7 million, based on a share price of \$0.35.

The effect of Resolution 3 will be to allow the Company to issue Equity Securities up to 10% of the Company's fully paid ordinary securities on issue during the period up to 12 months after the Annual General Meeting, without using the Company's 15% annual placement capacity granted under Listing Rule 7.1.

The Equity Securities must be in the same class as an existing class of quoted Equity Securities. The Company currently has only one class of Equity Securities on issue, being fully paid ordinary shares.

The exact number of Equity Securities that the Company may issue under an approval under Listing Rule 7.1A will be calculated according to the following formula:

(A x D) – E

Where:

A is the number of Shares on issue 12 months before the date of issue or agreement:

- (a) plus the number of Shares issued in the previous 12 months under an exception in Listing Rule 7.2;
- (b) plus the number of partly paid shares that became fully paid in the previous 12 months;
- (c) plus the number of Shares issued in the previous 12 months with approval of holders of Shares under Listing Rules 7.1 and 7.4; and
- (d) less the number of Shares cancelled in the previous 12 months.

D is 10%.

E is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months before the date of issue or agreement to issue that are not issued with the approval of holders of Shares under Listing Rule 7.1

Technical information required by ASX Listing Rule 7.1A

In accordance with Listing Rule 7.3A, the information below is provided in relation to Resolution 3:

(a) Minimum price

The minimum price at which the Equity Securities may be issued is 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 ASX trading days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed (**Agreed Issue Date**); or
- (ii) if the Equity Securities are not issued within 5 ASX trading days of the Agreed Issue Date, the date on which the Equity Securities are issued.

(b) Date of issue

The Equity Securities may be issued under the 10% Placement Capacity commencing on the date of this Annual General Meeting and expiring on the first to occur of the following:

- (i) 12 months after the date of this Annual General Meeting; and
- (ii) the date of approval by Shareholders of any transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of the Company's activities) or 11.2 (disposal of the Company's main undertaking) or such longer period if allowed by ASX.

(c) Risk of dilution

Any issue of Equity Securities under the 10% Placement Capacity will dilute the voting interests and may dilute the economic interests of Shareholders who do not receive Equity Securities under the issue.

The table below seeks to demonstrate the potential dilution of existing Shareholders resulting from the issue of Equity Securities under the 10% Placement Capacity calculated in accordance with the formula contained in Listing Rule 7.1A(2). The table does this by setting out the potential number of Shares issued and funds raised on the basis of:

- (i) the current number of Shares on issue;
- (ii) the number of Shares on issue changing (variable 'A' in the formula); and
- (iii) a variation in the issue price of the Shares (noting that Shares may only be issued at up to a 25% discount based on the volume weighted average price of the Shares calculated over the 15 ASX trading days preceding the issue).

VOTING DILUTION				
Number of Shares on Issue (Variable A in formula)	Dilution Variable	\$0.175 (50% decrease in current issue price)	\$0.35 (Current Issue Price)	\$0.525 (50% increase in current issue price)
302,090,435 (Current)	Additional 10% Shares issued	30,209,043	30,209,043	30,209,043
	Funds Raised	\$5,286,583	\$10,573,165	\$15,859,748
453,135,653 (50% increase)*	Additional 10% Shares issued	45,313,565	45,313,565	45,313,565
	Funds Raised	\$7,929,874	\$15,859,748	\$23,789,622
604,180,870 (100% increase)*	Additional 10% Shares issued	60,418,087	60,418,087	60,418,087
	Funds Raised	\$10,573,165	\$21,146,330	\$31,719,496

* The number of Shares on issue (variable A in the formula) could increase as a result of the issue of Shares that does not require Shareholder approval (such as under a pro-rata rights issue) or an issue of Shares with Shareholder approval under Listing Rule 7.1.

The table on the previous page uses the following assumptions:

- 1 The current number of Shares on issue is the Shares on issue as at 5 October 2015.
- 2 The current issue price is the closing price of the Shares on the ASX on 5 October 2015.
- 3 The Company issues the maximum possible number of Equity Securities under the 10% Placement Capacity.
- 4 The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
- 5 This table does not set out any dilution pursuant to approvals under Listing Rule 7.1.

Shareholders should note that there is a risk that:

- (i) the market price for the Shares may be significantly lower on the issue date than on the date of the Annual General Meeting; and
- (ii) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.

(d) Purpose of issue under 10% Placement Capacity

The Company may issue Equity Securities under the 10% Placement Capacity for various purposes including the following:

- (i) to raise cash as consideration for the acquisition of or investment in real estate investment assets and property fund management rights (including expenses associated with such acquisitions), continued expenditure on the Company's current assets and general working capital; or
- (ii) as non-cash consideration for the acquisition of or investment in real estate investment assets and property funds management rights, and in such circumstances the Company will provide a valuation of the non-cash consideration as required by listing Rule 7.1A.3.

(e) Allocation under the 10% Placement Capacity

The allottees of the Equity Securities to be issued under the 10% Placement Capacity have not yet been determined. However, the allottees of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the allottees at the time of the issue under the 10% Placement Capacity, having regard to the following factors:

- (i) the purpose of the issue;
- (ii) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue or other offer where existing Shareholders may participate;
- (iii) the effect of the issue of the Equity Securities on the control of the Company;
- (iv) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;
- (v) prevailing market conditions; and
- (vi) advice from corporate, financial and braking advisers (if applicable).

(f) Previous approval under Listing Rule 7.1A

The Company previously obtained approval under Listing Rule 7.1A at its Annual General Meeting on 28 November 2014. The Company has issued 81,080,470 Equity Securities in the 12 months preceding the date of this notice of meeting (being approximately 37% of the total Equity Securities on issue 12 months prior to this Annual General Meeting).

As required under Listing Rule 7.3A.6(b), the details in respect of all issues of Equity Securities by the Company during the previous 12 months are set out over page.

Details	Number of equity securities issued	Class and summary of terms of equity securities	Parties issued equity securities	Price / discount of equity securities issued	Amount of cash or non-cash consideration
Placement (May 2015)	36,866,288	Ordinary fully paid shares	Institutional and sophisticated investors	\$0.37 (representing a 5.1% discount to the closing price on the date of issue)	\$13,640,526 less transaction costs
Entitlement Offer -Institutional component (May 2015)	11,544,634	Ordinary fully paid shares	Existing Shareholders (institutional and sophisticated investors) who elected to participate	\$0.37 (representing a 5.1% discount to the closing price on the date of issue)	\$4,271,514 less transaction costs
Entitlement Offer - retail component (May 2015)	32,699,548	Ordinary fully paid shares	Existing Shareholders (retail investors) who elected to participate	\$0.37 (representing a 5.1% discount to the closing price on the date of issue)	\$12,098,832 less transaction costs

Recommendation

The Board recommends that Shareholders vote in favour of Resolution 3.

5 Approval of prior issue of Shares (Resolution 4)

The purpose of this resolution is to approve and ratify, in accordance with Listing Rule 7.4, the prior issue of Shares in May 2015 to existing and new institutional and sophisticated investors via a share placement (**May Placement**).

On 8 May 2015, the Company issued 36,866,288 Shares at an issue price of \$0.37 per Share to existing and new institutional and sophisticated investors via a placement. The Shares issued were fully paid ordinary shares in the Company, ranking equally with all other Shares and having identical rights to existing Shares quoted on the ASX.

Under Listing Rule 7.1, the Company may issue up to 15% of its issued capital without obtaining Shareholder approval in any 12 month period. The issue of the Shares pursuant to the May Placement was undertaken in compliance with Chapter 7 of the Listing Rules. If Shareholders do not approve this Resolution 4, the Shares issued under the May Placement will continue to count towards the 15% limit under Listing Rule 7.1.

Listing Rule 7.4, however, provides that where Shareholders subsequently approve an issue of securities, that previous issue will be treated as having been made with approval for the purpose of Listing Rule 7.1. Therefore, the Company's 15% placement capacity under Listing Rule 7.1 will be refreshed and the Company will be able to issue further Shares up to that limit.

Funds raised under the May Placement were used towards the following:

- (a) investing in funds managed by the Company's controlled entities, including Industria REIT and Generation Healthcare REIT;
- (b) repayment of the Company's debt facility;
- (c) securing new managed fund opportunities;
- (d) satisfying costs associated with the Company's entitlement offer in May 2015; and
- (e) working capital requirements.

Recommendation

The Board recommends that Shareholders vote in favour of Resolution 4.

6 Non-Executive Directors' remuneration (Resolution 5)

The current maximum aggregate remuneration capable of being paid to all non-executive Directors is \$750,000, which was approved by Shareholders at the Company's Annual General Meeting held on 15 November 2007.

Listing Rule 10.17 provides that a listed company may not, without shareholder approval, increase the total amount of fees payable to non-executive directors of the company or any of its 'child entities'. The Company's wholly-owned subsidiary, APN Funds Management Limited (**APN FM**), which acts as the responsible entity for the funds within the APN group, is a 'child entity' for the purposes of Listing Rule 10.17. APN FM currently has four non-executive directors and the Company currently has two non-executive Directors. Only one non-executive Director of the Company, Mr Howard Brenchley, is also a non-executive director of APN FM.

Shareholders are asked to approve the increase of the maximum amount of fees that can be paid to non-executive Directors of the Company and its child entities from \$750,000 per annum to \$900,000 per annum, being an increase of \$150,000 per annum.

In the opinion of the Board, this proposed increase in the maximum remuneration payable to non-executive Directors to a maximum amount of \$900,000 is necessary in order to:

- (a) reflect the current market levels of remuneration expected to be paid to non-executive directors of a listed company and/or a responsible entity of listed and unlisted funds (particularly given there has been no increase in the maximum remuneration permitted since 2007);
- (b) ensure that the Company is able to properly compensate non-executive Directors for their considerable workload both at Board level and on sub-committees of the Board of the Company and its subsidiaries; and
- (c) enable the Company to attract other non-executive Directors as required, whose skills and experience will complement the skills and experience of existing Directors.

There were no securities issued to the non-executive Directors under Listing Rule 10.11 or 10.14 with the approval of Shareholders at any time within the preceding three years.

The Board does not propose that the full amount of the new maximum amount of fees will be paid to non-executive directors of the Company and its child entities in the immediate future.

Recommendation

The Board (with Mr Appleton and Mr Brenchley abstaining) recommends that Shareholders vote in favour of Resolution 5.
