ASX ANNOUNCEMENT

Green Whistle receives approval in Republic of Ireland

Medical Developments International Limited (ASX:MVP) is delighted to announce that it has received final approval from the Health Products Regulatory Authority of the Republic of Ireland to market and sell its inhaled analgesic product, 'Penthrox' indicated for trauma and associated pain, in Republic of Ireland.

MVP CEO Mr. John Sharman said "This approval gives MVP's partner in Ireland and the United Kingdom, Galen Ltd the opportunity to sell Penthrox effective immediately. Galen is planning to launch Penthrox in December 2015 and we have received our first firm orders totaling almost \$0.9 million. We have commenced manufacturing and expect to deliver these first orders commencing in January 2016. In addition Galen has submitted additional forecast orders for delivery in H2FY16 totaling in excess of \$1.3 million."

About Pentrox

Penthrox is a fast onset, non-opioid analgesic indicated for pain relief by self-administration in patients with trauma and those requiring analgesia for surgical procedures. Penthrox has been used safely and effectively for more than 30 years in Australia with excess of 5.0 million units sold. There is growing interest in Penthrox being used in patients undergoing investigatory procedures, as well as operational procedures such as colonoscopy.

About Medical Developments International Ltd

MVP is an Australian company delivering emergency medical solutions dedicated to improving patient outcomes. MVP is a leader in emergency pain relief and respiratory products. The Company manufactures Penthrox®, a fast acting trauma & emergency pain relief product. It is used in Australian Hospitals including Emergency Departments, Australian Ambulance Services, the Australian Defence Forces, Sports Medicine and for analgesia during short surgical procedures such as Dental and Cosmetic surgery as well as in other medical applications. MVP is expanding internationally and manufactures a range of world-leading Asthma respiratory devices.

About Galen

Galen is a leading UK specialty pharmaceutical sales and marketing company, and has a significant presence in the UK and Irish markets. Galen is part of the Almac group which has in excess of 3,000 employees worldwide and is headquartered in Northern Ireland. Galen's knowledge of the target markets in the UK and Ireland will allow it to establish Penthrox as the leading product in self-administered trauma pain relief in the hospital and pre hospital environments.
