Dart Mining NL raises \$200,000 to progress the Joint Venture with Northern Mine Ventures

Dart Mining NL ("Dart Mining" or "the Company") is pleased to advise that the Company has successfully raised \$200,000 (before costs) through a strongly supported placement of 16,666,650 shares at an issue price of 1.2 cent each to professional and sophisticated investors.

This Placement, which was undertaken in accordance to Section 708 of the Corporations Act and Listing Rule 7.1A of the ASX Listing Rules, ensures Dart Mining continues to have sufficient capital to fund its recently announced joint venture agreement with Northern Mine Ventures Pty Limited.

Managing Director James Chirnside commented, "The Company would like to take this opportunity to thank the professional and institutional investors who participated in the placement as well as to acknowledge the ongoing support we to receive from our many shareholders.

The funds raised today will be directed to expenditure under the joint venture with Northern Mine Ventures, including bulk sampling, and a 1,800m exploration drill programme, and further development of the Mountain View Gold project."
