Dear Ms Tang

**Millennium Services Group Ltd – Application for listing**

Thank you for your letter of 13 November 2015 to Anzarut & Partners, Australian legal advisors to Millennium Services Group Limited's (**Company's** or **MIL's**), initial public offer under its replacement prospectus dated 5 November 2015 (**Replacement Prospectus**), whereby the ASX Limited (**ASX**) indicated conditional approval of the Company's application for admission to the official list of the ASX.

The ASX letter indicates that the ASX's formal decision was subject to a number of conditions precedent. Set out below is the Company's response with regard to those items (with reference to the numbering and the defined terms used within your letter, and with reference to 'ASX Email Correspondence' relating to email correspondence exchanged with Anzarut & Partners, the Australian legal advisors for the offer, over the course of the past week):

- 1 Condition precedent requirement:
  - 1.1 The Company confirms that the offer under the Replacement Prospectus closed on Friday, 13 November 2015, and that MIL and the share registrar, Computershare Investor Services Pty Ltd have completed the:

  - 1.2 The Company has received cleared funds for the complete amount of the issue price of every security issued and allotted to every successful applicant for securities under the Prospectus.

- 1.3 The Company's spread of shareholders meets the following requirements:
- 1.3.1 there are at least 300 shareholders, each having a parcel of shares with a value of at least \$2,000 (and the table provided in paragraph 2.2.1, in effect, confirms this to be the case, however, please let us know if you require the confirmation to take a different form); and
  - 1.3.2 at least 50% of the Company's ordinary shares are not held by related parties (noting information with regard to the composition and volume of related party holdings has earlier been provided to the ASX).
- 1.4 The Company confirms that the corporate restructure outlined in sections 3.11 and 9.3 of the Replacement Prospectus, was completed yesterday, whereby each Millennium operating entity is now a wholly owned subsidiary of MIL.
- 1.5 Per the confirmation provided by the Company to the ASX on Monday, 16 November 2015, MIL and a subsidiary entity, and the counter parties, being the 'ACS Integrated Services Provider' entities have each agreed that conditions precedent under the sale agreement with 'ACS Integrated Services Provider' dated 8 September 2015 have been either met or waived, meaning the transaction will be completed following admission to the official list of the ASX and the transfer of the purchase price (to occur on that same day).
