The Van Diemen's Land Company acquisition – update on interim injunction

Further to the announcement by TasFoods Limited (formerly OnCard International Limited) (**Company**) on 23 November 2015, at a further hearing in the Supreme Court of Victoria this morning the Court ordered the extension of the Company's interim injunctions against Tasmanian Land Company Limited, The Van Diemen's Land Company (**VDL**) and another until 3 December 2015, when a further hearing of the matter is scheduled. The extended injunctions are on substantially the same terms as the injunctions granted by the Court on 22 November 2015.

As well as setting a timetable for procedural steps for the next hearing, the Court also ordered that a copy of the agreement with the undisclosed foreign buyer for the VDL assets be given to the Company's legal advisers only (at least until 4.15pm on 26 November 2015).

Any material developments regarding the acquisition of the VDL assets and the interim injunction will be announced to ASX.
