MARKET RELEASE

REMOVAL FROM OFFICIAL LIST

ASX's policy is that it is appropriate to automatically remove from the official list any entity whose securities have been suspended from trading for a continuous period of 3 years. The removal will take effect from the commencement of trading on the first trading day after the expiration of that 3 year period.

Under transitional arrangements implemented when the policy was introduced, if an entity's securities had been continuously suspended as at 1 January 2014 for 12 months or more, the entity would automatically be removed from the official list if it remained continuously suspended up to 1 January 2016, with the removal being effective from the commencement of trading on the first business day after 1 January 2016.

ASX's policy and these transitional arrangements are explained in section 3.4 of ASX Listing Rules Guidance Note 33 [Removal of Entities from the ASX Official List](#).

In accordance with this policy, the following entities have been removed from the official list by ASX under listing rule 17.12 from the commencement of trading on 4 January 2016.
