EXTENSION OF DEADLINE FOR REINSTATEMENT TO QUOTATION

On 18 December 2015, Voltage IP Limited (**Company**) applied to the ASX requesting an extension from the 1 January 2016 deadline for the automatic removal of long-term suspended entities under ASX Guidance Note 33.

The Directors of the Company are pleased to announce that the ASX has agreed to extend this deadline until 22 March 2016. If the Company is not reinstated to quotation by the commencement of trading on 22 March 2016, the ASX will immediately remove the Company from the official list from the commencement of trading on that day. The ASX has advised that no further extensions will be permitted.

For further details, please contact Frank Licciardello, Chairman on flicciardello@sanston.com.au or +61 3 8350 3400.
