Dear Kate,

Re: Request for Trading Halt

Environmental Clean Technologies Limited (ASX: ESI) requests an immediate trading halt in the Company's securities pursuant to ASX Listing Rule 17.1.

The trading halt is requested pending confirmations relating to the Company's proposed projects in India.

We are not aware of any reason why the trading halt should not be granted and we expect that the halt will be ended by an announcement by the Company regarding the transaction.

Yours sincerely,

Adam Giles
