Dear Kate,

**Re: Request for Trading Halt**

Environmental Clean Technologies Limited (ASX: ESI) requests an immediate trading halt in the Company's securities pursuant to ASX Listing Rule 17.1.

The trading halt is requested pending completion of a transaction relating to the Company's capital management plan.

We are not aware of any reason why the trading halt should not be granted and we expect that the halt will be ended by an announcement by the Company regarding the transaction.

Yours sincerely,

**Adam Giles**
