Dear Unitholder

### Distribution Reinvestment Plan - Participation Instructions

Further to the ASX Announcement dated 17 December 2015 regarding the introduction of the Distribution Reinvestment Plan (**DRP**) for unitholders of the MG Unit Trust, please see below for instructions on how to register to participate in the **DRP**.

The **DRP** provides eligible unitholders with the option of taking future distributions in the form of cash or units, or a combination of both. Participation in the **DRP** remains subject to the **DRP** Rules, which are available on the Murray Goulburn website at <http://www.mgc.com.au/investor-centre/unitholders/unitholder-information>.

Please note that MG Responsible Entity Limited recommends unitholders seek independent financial advice in relation to the **DRP** and read the **DRP** Rules in their entirety before deciding whether to participate.

### How do I participate?

If you wish to participate in the **DRP**, please log on to Computershare's Investor Centre at [www.investorcentre.com](http://www.investorcentre.com), using your SRN or HIN (as applicable) and postcode. Click on 'My Profile' and then 'Reinvestment Plans' and follow the instructions to complete the application process.

If you do not wish to participate in the **DRP**, you do not need to do anything. You will receive distribution payments in accordance with current arrangements.

### Mandating of distribution payments by direct credit

For those unitholders who do not wish to participate in the **DRP**, or elect to participate on a partial basis, I would also like to take this opportunity to advise that we intend to mandate the payment of distributions by direct credit in time for the payment of any final FY16 distribution (September 2016) and all future distributions. Direct credit is a secure, efficient and reliable method of payment. If you have not already done so, you may register your bank account details online with Computershare.

If you have questions regarding the **DRP**, mandating distribution payments by direct credit or the distribution in general, please do not hesitate to contact the unit registrar, Computershare, on 1300 477 596 (within Australia) or +61 3 9415 4293 (international).

Yours sincerely

Philip Tracy  
Chairman
