Australian Securities Exchange Limited

Re: Delay in lodgement of Half-Yearly Accounts

We would like to advise that the release of the half yearly accounts ended 31 December 2016 will be delayed. The audit of the Company's annual accounts for the financial year ended 30 June 2015 and the half-yearly accounts ended 31 December 2015 is being finalised this week and will be released at the same time once the audit work is completed.
