NOTES TO THE FINANCIAL STATEMENTS FOR THE HALF-YEAR ENDED 31 DECEMBER 2015

NOTE 1: BASIS OF PREPARATION OF THE INTERIM REPORT

Basis of Preparation

These general purpose interim financial statements for the half-year reporting period ended 31 December 2015 have been prepared in accordance with requirements of the Corporations Act 2001 and Australian Accounting Standards including AASB 134: Interim Financial Reporting. Compliance with Australian Accounting Standards ensures that the financial statements and notes also comply with International Financial Reporting Standards. The Group is a for-profit entity for financial reporting purposes under Australian Accounting Standards.

This interim financial report is intended to provide users with an update on the latest annual financial statements of Quest Investments Limited ("the Parent Entity") and its controlled entities ("the Consolidated Group" or "the Group") As such, it does not contain information that represents relatively insignificant changes occurring during the half-year within the Consolidated Group. It is therefore recommended that this financial report be read in conjunction with the annual financial statements of the Consolidated Group for the year ended 30 June 2015, together with any public announcements made during the half-year.

Going Concern

The accounts have been prepared on a going concern basis. The Group has a current asset deficiency of HK\$14,937,712 (31 Dec 2014: HK\$14,902,933), reported a loss of HK\$2,353,526 (31 Dec 2014: HK\$2,717,242) and incurred negative operating cash flows of HK\$274,000 (31 Dec 2014: positive operating cash flow of HK\$522,000) for the period, and its continuance in business as a going concern is dependent upon the Group having ongoing financial support from its major shareholder. The accounts have been prepared on a going concern basis as the Group's ultimate holding company has pledged to provide continuing financial support to the Group for a period of not less than twelve months from the date of the directors' declaration.

As at 31 December 2015, the Group has a current assets deficiency of HK\$14,937,000 (30 June 2015: HK\$11,881,190). For the 6 months ended 31 December 2015, the Group has a loss after income tax of HKD 2,354,000 (31 December 2014: loss after income tax of HKD 2,717,000) from continuing operations and negative net cash balance of HKD 274,000.

The financial statements have been prepared on a going concern basis, which contemplates the continuation of normal business operations and the realisation of assets and settlement of liabilities in the normal course of business. The Directors have considered and noted the following with regards to the ability of the Group to continue as a going concern:

- (i) The proposed acquisition of 80% of Gold Lord Investments Inc. ("Gold Lord") in consideration of Quest issuing shares to Mr. Lok Wai Ming;
- (ii) 80% securities interest in Gold Lard value not less than A\$124,168,000;
- (iii) Capital raising of not less than \$3 million after the approval by shareholders of the issue of consideration shares to Mr. Lok Wai Ming of which Mr. Lok has procured parties to take up not less than A\$2,000,000.
- (iv) Continuing financial support from its directors.

On the basis of these factors, the Directors believe that the going concern basis of preparation is appropriate and the Group will be able to repay its debts as and when they fall due. IN the event that the Group cannot continue as a going concern, it may not realise its assets and settle its liabilities in the normal course of operations and at the amounts stated in the financial statements.

NOTES TO THE FINANCIAL STATEMENTS FOR THE HALF-YEAR ENDED 31 DECEMBER 2015

NOTE 1: BASIS OF PREPARATION OF THE INTERIM REPORT

Going Concern - Continued

As a result of those matters, there is material uncertainty related to events or conditions that may cast significant doubt on the Group's ability to continue as going concern and therefore, it may not realise its assets and settle its liabilities in the normal course of operations and at the amounts stated in the financial statements. The review report for the half year ended 31 December 2015 therefore includes an emphasis of matter in this regard.

Recoverability of current and non-current receivables

As at 31 December 2015, non-current accounts receivable and current accounts receivable amounting to \$41,715,000 and \$9,730,000, respectively, were due from related parties and the recoverability of these receivables are supported by directors of the Company. However, without further supporting evidence being obtained in relation to realisation of the account receivables from related parties, there is material uncertainty relating to the recoverability of above mentioned accounts receivable. The review report for the half year ended 31 December 2015 therefore includes an emphasis of matter in this regard.

Accounting Policies

The same accounting policies and methods of computation have been followed in this interim financial report as were applied in the most recent annual financial statements, except in relation to the matters discussed below.

Critical Accounting Estimates and Judgments

The critical estimates and judgments are consistent with those applied and disclosed in the June 2015 annual report.

Significant Accounting Policies

The accounting policies adopted in the preparation of these interim condensed consolidated financial statements are consistent with those applied in the preparation of the consolidated entity's annual financial statements for the year ended 30 June 2015 except for the adoption of new standards and interpretations effective 1 July 2015 noted below. The adoption of these standards did not have a significant impact on the group's results in the current and/or prior period.

The principal Australian Accounting Standards and interpretations that became effective since 30 June 2015 are set out in the following table.

- AASB 9: *Financial Instruments* and associated Amending Standards (applicable to annual reporting periods beginning on or after 1 January 2018).

The Standard will be applicable retrospectively (subject to the provisions on hedge accounting outlined below) and includes revised requirements for the classification and measurement of financial instruments, revised recognition and derecognition requirements for financial instruments and simplified requirements for hedge accounting.

The key changes that may affect the Group on initial application include certain simplifications to the classification of financial assets, simplifications to the accounting of embedded derivatives, upfront accounting for expected credit loss, and the irrevocable election to recognise gains and losses on investments in equity instruments that are not held for trading in other comprehensive income. AASB 9 also introduces a new model for hedge accounting that will allow greater flexibility in the ability to hedge risk, particularly with respect to hedges of non-financial items. Should the entity elect to change its hedge policies in line with the new hedge accounting requirements of the Standard, the application of such accounting would be largely prospective.

Although, the directors anticipate that the adoption of AASB 9 may have an impact on the Group's financial instruments, including hedging activity, it is impracticable at this stage to provide a reasonable estimate of such impact.

NOTE 1: BASIS OF PREPARATION OF THE INTERIM REPORT – CONTINUED Significant Accounting Policies - Continued

- AASB 15: *Revenue from Contracts with Customers* (applicable to annual reporting periods commencing on or after 1 January 2017).

When effective, this Standard will replace the current accounting requirements applicable to revenue with a single, principles-based model. Except for a limited number of exceptions, including leases, the new revenue model in AASB 15 will apply to all contracts with customers as well as non-monetary exchanges between entities in the same line of business to facilitate sales to customers and potential customers.

The core principle of the Standard is that an entity will recognise revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for the goods or services. To achieve this objective, AASB 15 provides the following five-step process:

- identify the contract(s) with a customer;
- identify the performance obligations in the contract(s);
- determine the transaction price;
- allocate the transaction price to the performance obligations in the contract(s); and
- recognise revenue when (or as) the performance obligations are satisfied.

This Standard will require retrospective restatement, as well as enhanced disclosures regarding revenue.

Although the directors anticipate that the adoption of AASB 15 may have an impact on the Group's financial statements, it is impracticable at this stage to provide a reasonable estimate of such impact.

NOTE 4: FAIR VALUE MEASUREMENTS

The only financial assets carried at fair value are shares. The directors consider the shares to be Level 1 financial instruments, which have quoted prices (unadjusted) in active markets for identical assets or liabilities. There have been no transfers between level 1, 2 and 3 for recurring fair value measurements during the half-year.

The fair value of the shares as at 31 Dec 2015 was HK\$282,649 (30 Jun 2015: HK\$416,566).

The directors consider that the carrying amount of the other financial assets and other financial liabilities recorded in the financial statements approximate their fair values.

NOTE 5: CONTINGENT LIABILITIES

There has been no change in contingent liabilities since the last annual reporting date.

NOTE 6: EVENTS SUBSEQUENT TO REPORT DATE

As at 31 December 2015, the Group has a current assets deficiency of HK\$14,937,000 (30 June 2015: HK\$11,881,190). For the 6 months ended 31 December 2015, the Group has a loss after income tax of HKD 2,354,000 (31 December 2014: loss after income tax of HKD 2,717,000) from continuing operations and negative net cash balance of HKD 274,000.

The financial statements have been prepared on a going concern basis, which contemplates the continuation of normal business operations and the realisation of assets and settlement of liabilities in the normal course of business. - (iii) Capital raising of not less than \$3 million after the approval by shareholders of the issue of consideration shares to Mr. Lok Wai Ming of which Mr. Lok has procured parties to take up not less than A\$2,000,000.
- (iv) Continuing financial support from its directors.

NOTE 6: EVENTS SUBSEQUENT TO REPORT DATE - CONTINUED

On the basis of these factors, the Directors believe that the going concern basis of preparation is appropriate and the Group will be able to repay its debts as and when they fall due. IN the event that the Group cannot continue as a going concern, it may not realise its assets and settle its liabilities in the normal course of operations and at the amounts stated in the financial statements.

As a result of those matters, there is material uncertainty related to events or conditions that may cast significant doubt on the Group's ability to continue as going concern and therefore, it may not realise its assets and settle its liabilities in the normal course of operations and at the amounts stated in the financial statements. The review report for the half year ended 31 December 2015 therefore includes an emphasis of matter in this regard.

DIRECTORS' DECLARATION

The directors of the company declare that:

- 1. The financial statements and notes, as set out on page 7 to 15:
 - a. comply with Accounting Standard AASB 134: Interim Financial Reporting and the Corporations Act 2001; and
 - b. give a true and fair view of the Consolidated Group's financial position as at 31 December 2015 and of its performance for the half year ended on that date.
- 2. In the directors' opinion there are reasonable grounds to believe that the company will be able to pay its debts as and when they become due and payable.

This declaration is made in accordance with a resolution of the Board of Directors.

INDEPENDENT AUDITOR'S REVIEW REPORT TO THE MEMBERS OF QUEST INVESTMENTS LIMITED

Report on the Half-Year Financial Report

We have reviewed the accompanying half-year financial report of Quest Investments Limited, which comprises the consolidated statement of financial position as at 31 December 2015, the consolidated statement of profit or loss and other comprehensive income, consolidated statement of changes in equity and consolidated statement of cash flows for the half-year ended on that date, notes comprising a summary of significant accounting policies and other explanatory information, and the directors' declaration of the consolidated entity comprising the company and the entities it controlled at the end of the half-year or from time to time during the half-year as set out on pages 7 to 17.

Directors' Responsibility for the Half-Year Financial Report

The directors of the company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including: giving a true and fair view of the company's financial position as at 31 December 2015 and its performance for the half-year ended on that date; and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*. As the auditor of Quest Investments Limited, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Independence

In conducting our review, we have complied with the independence requirements of the *Corporations Act* 2001.

Conclusion

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half-year financial report of Quest Investments Limited is not in accordance with the *Corporations Act 2001* including:

- (a) giving a true and fair view of the consolidated entity's financial position as at 31 December 2015 and of its performance for the half-year ended on that date; and
- (b) complying with Accounting Standard AASB 134 Interim Financial Reporting and Corporations Regulations 2001.

Significant Uncertainty Regarding Continuation as a Going Concern

Without modifying our opinion, we draw attention to Note 1 to the finance statement which indicates that the Group has a current assets deficiency of HK\$14,937,000 (30 June 2015: HK\$11,881,190). The consolidated entity incurred a net loss of HK\$2,354,000 and had negative operating cash flow of HK\$274,000 during the 6 months period ended 31 December 2015. These conditions indicate the existence of a material uncertainty which may cast significant doubt about the ability of the company and consolidated entity to continue as a going concern and be able to pay their debts as and when they fall due and therefore, the company and the consolidated entity may be unable to realise their assets and extinguish their liabilities in the normal course of business and at the amounts stated in the financial report.

Emphasis of matter - valuation of current and non-current account receivables from related companies

Without modifying our opinion, we have considered the adequacy of the disclosure made in Note 1 to the financial statements concerning the valuation of current and non-current accounts receivable from related companies supported by directors of the Company. However, without further supporting evidence being provided in relation to realisation of the account receivables, there is material uncertainty related to recoverability of above mentioned account receivables.
