Market Update

EVZ (ASX: EVZ) advises that it has secured an extension of its existing banking facilities with the Commonwealth Bank of Australia (CBA). The CBA has agreed to an extension of existing banking facilities to 31 March 2017.

This extension will support the on-going viability of the EVZ Group and allow EVZ to focus on continued growth in all businesses in the Group.

In addition, the Directors wish to advise that a commercial agreement has been executed for the completion of the Melbourne Airport Tri-Generation project.

With the completion of these two agreements, EVZ is now in a position to work with the company's auditors towards completing the FY15 full year and FY16 half year financial accounts as soon as possible. Completion of the audit of the FY 15 financial accounts will enable the company to finalise and lodge the 2015 Annual Report with the ASX.

Shareholders will continue to be advised of progress through the ASX announcement platform.
