<sup>1</sup> Under Listing Rule 4.7.3, an entity must lodge with ASX a completed Appendix 4G at the same time as it lodges its annual report with ASX.

Listing Rule 4.10.3 requires an entity that is included in the official list as an ASX Listing to include in its annual report either a corporate governance statement that meets the requirements of that rule or the URL of the page on its website where such a statement is located. The corporate governance statement must disclose the extent to which the entity has followed the recommendations set by the ASX Corporate Governance Council during the reporting period. If the entity has not followed a recommendation for any part of the reporting period, its corporate governance statement must separately identify that recommendation and the period during which it was not followed and state its reasons for not following the recommendation and what (if any) alternative governance practices it adopted in lieu of the recommendation during that period.

Under Listing Rule 4.7.4, if an entity chooses to include its corporate governance statement on its website rather than in its annual report, it must lodge a copy of the corporate governance statement with ASX at the same time as it lodges its annual report with ASX. The corporate governance statement must be current as at the effective date specified in that statement for the purposes of rule 4.10.3.

<sup>&</sup>lt;sup>2</sup> "Corporate governance statement" is defined in Listing Rule 19.12 to mean the statement referred to in Listing Rule 4.10.3 which discloses the extent to which an entity has followed the recommendations set by the ASX Corporate Governance Council during a particular reporting period.

<sup>&</sup>lt;sup>3</sup> Mark whichever option is correct and then complete the page number(s) of the annual report, or the URL of the web page, where the entity's corporate governance statement can be found. You can, if you wish, delete the option which is not applicable.

Throughout this form, where you are given two or more options to select, you can, if you wish, delete any option which is not applicable and just retain the option that is applicable. If you select an option that includes "OR" at the end of the selection and you delete the other options, you can also, if you wish, delete the "OR" at the end of the selection.

PRINC	CIPLE 1 – LAY SOLID FOUNDATIONS FOR MANAGEMENT AND OVI	ERSIGHT	
1.1	A listed entity should disclose:  (a) the respective roles and responsibilities of its board and management; and  (b) those matters expressly reserved to the board and those delegated to management.	the fact that we follow this recommendation:  X in our Corporate Governance Statement OR  at [insert location]  and information about the respective roles and responsibilities of our board and management (including those matters expressly reserved to the board and those delegated to management):  X at <a href="http://www.airxpanders.com/corporate-governance/">http://www.airxpanders.com/corporate-governance/</a> Refer sections 4, 5 and 7 of the Board Charter - <a href="http://www.airxpanders.com/board-charter/">http://www.airxpanders.com/board-charter/</a>	an explanation why that is so in our Corporate Governance Statement OR
1.2	A listed entity should:  (a) undertake appropriate checks before appointing a person, or putting forward to security holders a candidate for election, as a director; and  (b) provide security holders with all material information in its possession relevant to a decision on whether or not to elect or re-elect a director.	the fact that we follow this recommendation:  X in our Corporate Governance Statement OR  at [insert location]	an explanation why that is so in our Corporate Governance Statement <b>OR</b>
1.3	A listed entity should have a written agreement with each director and senior executive setting out the terms of their appointment.	the fact that we follow this recommendation:  in our Corporate Governance Statement OR  at [insert location]	an explanation why that is so in our Corporate Governance Statement OR  The Company has written agreements with Mr. Barry Cheskin and Mr. Dennis Condon relating to compensation for their respective roles as Chairman of the Board and Chairman of the Audit and Risk Committee. The Company does not currently have written agreements with the other non-executive directors. The Company currently considers that there is sufficient certainty as to the terms of the non-executive directors' appointments that written agreements are not considered necessary at this stage.

1.4	The company secretary of a listed entity should be accountable directly to the board, through the chair, on all matters to do with the proper functioning of the board.	the fact that we follow this recommendation:  X in our Corporate Governance Statement OR  at [insert location]		an explanation why that is so in our Corporate Governance Statement <u>OR</u>
1.5	A listed entity should:  (a) have a diversity policy which includes requirements for the board or a relevant committee of the board to set measurable objectives for achieving gender diversity and to assess annually both the objectives and the entity's progress in achieving them;  (b) disclose that policy or a summary of it; and  (c) disclose as at the end of each reporting period the measurable objectives for achieving gender diversity set by the board or a relevant committee of the board in accordance with the entity's diversity policy and its progress towards achieving them and either:  (1) the respective proportions of men and women on the board, in senior executive positions and across the whole organisation (including how the entity has defined "senior executive" for these purposes); or  (2) if the entity is a "relevant employer" under the Workplace Gender Equality Act, the entity's most recent "Gender Equality Indicators", as defined in and published under that Act.	the fact that we have a diversity policy that complies with paragraph (a):  in our Corporate Governance Statement OR  at [insert location]  A copy of our diversity policy or a summary of it may be found:  at <a href="http://www.airxpanders.com/corporate-governance/">http://www.airxpanders.com/corporate-governance/</a> and the measurable objectives for achieving gender diversity set by the board or a relevant committee of the board in accordance with our diversity policy and our progress towards achieving them:  in our Corporate Governance Statement OR  at [insert location]  at [insert location]  at [insert location]	X	an explanation why that is so in our Corporate Governance Statement OR  The Company has adopted a Diversity Policy, however the Policy does not require the Board or a relevant committee of the Board to set measurable objectives for achieving gender diversity and to assess annually both the objectives and the Company's progress in achieving them.  The Company's operations are currently at the development and initial commercialisation stage and it has only a small number of employees. As the Company moves closer to achieving its commercialisation goals and increases its number of employees, it will re-examine its approach in this regard.  Further information in relation to the Company's response to this recommendation is provided in the Corporate Governance Statement.
1.6	A listed entity should:     (a) have and disclose a process for periodically evaluating the performance of the board, its committees and individual directors; and     (b) disclose, in relation to each reporting period, whether a performance evaluation was undertaken in the reporting period in accordance with that process.	the evaluation process referred to in paragraph (a):  in our Corporate Governance Statement OR  at [insert location]  and the information referred to in paragraph (b):  in our Corporate Governance Statement OR  at [insert location]	<b>X</b>	an explanation why that is so in our Corporate Governance Statement OR  As the Company only listed on the ASX in June 2015, the Board considered it premature to undertake a formal review of the performance of the Board, its Committees and individual directors during the financial year. The Board intends to adopt a process for undertaking such reviews shortly before first undertaking them, so the Company has not yet adopted such a process.

1.7	A listed entity should:     (a) have and disclose a process for periodically evaluating the performance of its senior executives; and     (b) disclose, in relation to each reporting period, whether a performance evaluation was undertaken in the reporting	the evaluation process referred to in paragraph (a):  X in our Corporate Governance Statement OR  at [insert location]	an explanation why that is so in our Corporate Governance Statement <u>OR</u>

Only Mr. Condon is considered by the Board to be an independent director. Having regard to the Company's stage of development and the collective experience and expertise of the members of the Nomination and Remuneration Committee, the Board considers the current composition of the Committee to be appropriate.  The Nomination and Remuneration Committee was formed shortly before the Company listed on the ASX in June 2015 and owing to the shorter period, did not meet between the date of the Company's listing on the ASX and 31 December 2015. The Committee did however meet in early 2016 to review amongst other matters, the performance of the CEO and the Company's current remuneration policies and practices.

Having regard to the Company's stage of development and the collective experience and expertise of the directors, the Board considers the current composition of the Board to be appropriate.
2.5	The chair of the board of a listed entity should be an independent director and, in particular, should not be the same person as the CEO of the entity.	the fact that we follow this recommendation:  in our Corporate Governance Statement OR  at [insert location]	<b>X</b>	an explanation why that is so in our Corporate Governance Statement OR  The roles of Chairman and CEO are performed by different persons; however, the Board does not consider the Company's Chairman to be an independent director. The Board is of the view that at this stage of the Company's development the current composition of the Audit and Risk Committee is appropriate.  Further information in relation to the Company's response to this recommendation is provided in the Corporate Governance Statement.
4.2	The board of a listed entity should, before it approves the entity's financial statements for a financial period, receive from its CEO and CFO a declaration that, in their opinion, the financial records of the entity have been properly maintained and that the financial statements comply with the appropriate accounting standards and give a true and fair view of the financial position and performance of the entity and that the opinion has been formed on the basis of a sound system of risk management and internal control which is operating effectively.	the fact that we follow this recommendation:  in our Corporate Governance Statement OR  at [insert location]	In an explanation why that is so in our Corporate Governance Statement A CEO and CFO declaration was received by the Board in relation to the financial period ended 31 December 2015.
