SpeedCast Completes the Acquisition of NewCom International

Sydney, Australia, March 31, 2016 - [SpeedCast International Limited](#) (ASX: SDA), a leading global satellite communications and network service provider, today announced the completion of the acquisition of NewCom International ("NewCom") in accordance with the agreed terms of the Share Purchase Agreement signed on December 29, 2015.

On December 29, 2015, SpeedCast announced that it had entered into a definitive agreement to acquire NewCom International for an initial consideration of USD11.8M in cash and USD2.1M in new SpeedCast shares.

The new SpeedCast shares have been issued on completion and the cash consideration was funded by drawing down from the group's existing debt facilities following the completion of a USD20M increase to available facilities.

Further details of the acquisition were included in the ASX announcements made on December 29, 2015.
